

Dear Friends and Family,

I'm excited to share that I've been given the opportunity to go on a mission trip to Mexico with my high school team from New Hope Church! From **March 20–29**, we will be traveling to **Tijuana, Mexico**, to serve at an orphanage called **The Mission**.

This trip means a lot to me. We'll be spending time with children, helping meet practical needs, and sharing God's love in a very real and hands-on way. I'm looking forward to stepping outside my comfort zone, growing in my faith, and learning how God can use me to serve others.

I'm writing to ask if you would consider supporting me—either through prayer or financially—as I prepare for this trip. All gifts are **tax-deductible**, and every bit truly helps make this opportunity possible.

**Ways to Give:**

- **By check:** Make checks payable to *New Hope Church* and include my name in the memo line
- **Online:** Visit [newhopebend.com/give](http://newhopebend.com/give) and select *Mexico*
- **By phone:** Call the church office at **541-349-3436**

Another great way to support the trip is by attending the **Mexico Silent Auction on March 4th**. It's a fun event and a meaningful way to help our team get to Mexico!

You can find more details about my trip and ways to support at [newhopebend.com/mexico](http://newhopebend.com/mexico) or by scanning the QR code.

Thank you so much for taking the time to read this and for considering being part of my journey. I'm so grateful for your encouragement, prayers, and support!

With gratitude,
