

## COMPASSION'S CALL FALL NEWS 🍁🍁🍁🍁🍁🍁🍁🍁🍁🍁🍁🍁🍁

Greetings Friends!

Can you believe it is already Fall?? This year is literally flying by!

We were so blessed to be a part of two medical teams this year, in El Salvador 🇸🇻, serving with King's Castle. One was with Team Victory, in March, and the other was with a team from Florida, in April. Both weeks were amazing, where many miracles took place!

Team Victory not only had a medical team, but also had hair cutting, construction, and evangelism teams. Many salvations and healings were witnessed. We were so blessed to be a part of this... Even though we have served on many teams, all over the world, it never gets old! God always shows up, and never disappoints! 💕

We had several first timers on the Victory team, and we loved watching God rock their world! We have always said that we go to serve and bless others, but God always seems to bless us more! I know that many lives were changed! All glory to God!! 🙌🙌🙌

We had a third trip to El Salvador planned in August, with tickets purchased and suitcases packed, but we had an unexpected death in the family, and we had to cancel it. 😞

Thank you to all who have supported us in our mission's journey. We could never "GO" without the support of our family & friends behind us. We are so grateful for your prayers, your donations that we pack up and bring to bless those less fortunate, and your financial giving.

Throughout the year, the Lord will show us other areas of ministry, that we feel He wants us to bless, and we always obey. Many on a local level, but others, across the world. The financial blessings we receive, are not only used to pay for our mission trips, but extend to many different areas. We continue to sponsor 3 children in Uganda, so they can attend school, be fed two meals a day, receive uniforms and school supplies, and care packages to take home every so often. We also send money to help feed families, when they have no harvest. This is sent through Ezekiel 37 Ministry, who we have worked closely with, and know exactly where the money is going.

Locally, we support The Rescue Mission, by helping with holiday meals. We also support The Touched By Nathan Foundation, whose focus is to help premature babies and their families. We contribute to other fundraisers, when we feel that the Lord leads us to help. For example, medical bills for somebody in need, or unplanned funeral expenses. These are just some examples, to allow you to see how we help in other areas.

The next planned trip, as of right now, is returning to El Salvador with Team Victory, in March 2023. We welcome your prayers, and if you feel moved to help financially, donations can be made at [compassionscall.com](https://compassionscall.com) or mailed to:
