## INTERNATIONAL MISSION BOARD

The IMB serves Southern Baptist Churches in carrying out the Great Commission. Through the cooperative financial support of Southern Baptist Churches, we can partner and send a limitless number of Field Workers to the nations. The Summit currently has four families and one individual serving through the IMB. When members of our churches are sent to the field through the IMB, they have all the resources and training available through this cooperative effort. This means they do not have to fundraise, and we can send more!

**+ Pray for IMB Field Workers to have divine opportunities to abundantly share the Gospel.**

## CROSSOVER GLOBAL

Crossover Global is a church planting organization that provides Gospel access to people groups that have little to no access to the Gospel. They are serving in more than 30 countries – some of which are hostile to the Gospel. Through our financial giving we can join them in providing resources for national ministry partners to plant churches within these difficult places. A consistent drive for The Summit is to get the Gospel to the people of the world with the least access. Partnering with Crossover Global is one way we can participate in this Kingdom task.

**+ Pray for the leadership of Crossover Global.**

**+ Pray for the Holy Spirit to strengthen persecuted believers in difficult places.**
