#### Family Note

Hi Families! This week kicks off our second section which is all about love.

We can't start learning about giving love until we learn about the most amazing love of all - the love of Jesus. Our love for others needs to be based on His unconditional love for us.

Throughout this week look for ways that God shows us His love.

#### Family Note

Hi Families! This month we are going to learn how to love other people, just like God loves us! As a family, think of a way you can show love to someone. You could make cookies for a neighbor, and do yard work or house work for someone who needs help. Be creative and have fun! Also, don't forget to practice your memory verse for this month and last month. Practice, practice, practice is the key to help your family remember God's Word.

**DAY 6**

**Psalms 23**

**DAY 7**

**Psalms 24**

#### **Family Note**

Hi Families! This week we are going to look at stories in the Bible that teach us more about God's love. We will see great examples of people who loved God so much that they gave up everything they had. There are other stories about people who decided not to love God. Another way we can show God that we love Him is by sharing our stuff with Him. There are many ways we can do this, by putting money in the church offering, also giving extra toys and clothes to families in need. Think of one way you can love God with your stuff.

## LOVE JOURNAL

Week Four

*We have learned a lot about God's love for us and how we need to love others. Sometimes it's hard to love people who have been mean to us or don't like us. Would it be hard or easy for you to show God's love to someone like that?*

1 Corinthians 13:4-8

Love is patient, love is kind.

It does not envy,  
it does not boast, it is not proud.

It is not rude,  
it is not self-seeking,  
it is not easily angered  
it keeps no record of wrongs.

Love does not delight in evil  
but rejoices with the truth.

always hope, always perseveres.
