# RESPONSIVE READING

## LEGACY OF CREATIVITY

### Psalm 139:1-14 (EasyEnglish Bible)

This is a song that David wrote.

God understands me

**Leader:** Lord, you look deep inside me, and you know all about me. You know when I sit down, and you know when I get up. Even when you are far away, you understand what I am thinking about.

**Congregation:** You see me when I go out, and you see me when I stay at home. You know everything that I do! Yes Lord, before I open my mouth to speak, you know what I will say.

**Leader:** You are all around me, in front of me and behind me. You put your hand on me to help me.

**Congregation:** You know so much about me, it is wonderful. I cannot understand it. My thoughts cannot reach as high as that!

**Leader:** Is there anywhere that I can go to run away from your Spirit? Anywhere that I go, you are already there!

**Congregation:** If I go up to heaven, you would be there. If I dig deep down into the ground to reach Sheol, you would be there too.

**Leader:** If I fly away to where the sun rises in the east, or to the other side of the sea in the west, you would be there. You would use your hand to lead me. Your strong right hand would keep me safe.

**Congregation:** I might say, 'I will hide myself in the dark, and the light round me will change into night.'

But it is never too dark for you to see. For you, the night has as much light as the day. Darkness and light are the same to you!

**Leader:** You made every part of me. You made me grow inside my mother before I was born.

**ALL:** I thank you for the wonderful way that you have made me. Everything that you do is wonderful! I know it is true.
