

Gary & Beverly Voechting

After years of prayer, Gary and Beverly are responding to God's call to Florida, coming alongside the building of the Cross to Light Bible Training Center. This journey is one of faith, obedience, and preparation for what God is doing next.

As they prepare to go, Gary and Beverly are filled with gratitude and expectation for how God will use this season. They look forward to serving alongside others, helping with the completion of the Training Center, and seeing Gary's gifts in construction being used to glorify God. They step forward with open hearts, trusting the Lord to lead, provide, and accomplish His purposes through this time.
