How Much Do You Believe You're Worth?

What are you worth? We must get our value from God, not from man. So the correct question is what does God say you're worth? The Bible gives us the answer to this question, showing that we are truly worth more than all of the wealth of this whole world combined. As a Pastor, I long to see people lifted up. I want people to accomplish everything God created them to accomplish.

Sadly, I've watched so many people never finish what God wanted to do through them. I believe the reason is that they never accepted their true value that God has put on them. They determined their worth based on what man's standards were instead of God's standards.

These Scriptures will help you see your worth from God's perspective.

Luke 12:4-9 TPT "Listen, My beloved friends, don't fear those who may want to take your life but nothing more. It's true that they may kill your body, but they have no power over your soul. [5] The One you must fear is God, for He has both the power to take your life and the authority to cast your soul into hell. Yes, the only One you need to fear is God. [6-7] "What is the value of your soul to God? Could your worth be defined by an amount of money? God doesn't abandon or forget even the small sparrow He has made. How then could He forget or abandon you? What about the seemingly minor issues of your life? Do they matter to God? Of course they do! So you never need to worry, for you are more valuable to God than anything else in this world. [8] "I can assure you of this: If you don't hold back, but freely declare in public that I am the Son of Man, the Messiah, I will freely declare to all the angels of God that you are Mine. [9] But if you publicly pretend that you don't know Me, I will deny you before the angels of God.

Notice that when we openly declare Jesus as the Messiah in public and are not ashamed, He will declare to the angels that we are His. If you have done this, you have become more than a Trillionaire in the spirit. Now because your value has increased so much, it's time to get busy and use your value to bring glory to your Heavenly Father.

Nobody on planet earth can stop us from accomplishing great things for our wonderful God. If someone tries to put you down and devalue you, they won't be able to because you get your value from God; not from them. You won't even get mad at them, because you will feel sorry for them. This way of thinking will stop so much pain that we have felt because of rejection.

Well I'm going to stop for this week; I hope this Newsletter has helped you.

Love you and appreciate you,

Pastor Paul
