

The Christian Center
Pastor Paul's Newsletter 6-1-25

Man's imagination gives them the ability to create like their Father God. When God made mankind, He made them like Himself; so that they can live like Him. In this Newsletter we will be explaining the process of creating and inventing things. God will give man the ideas He wants to bring to pass in the earth. When we study the Bible, God is talking to us and giving us ideas in our imagination. Then, after a period of time, we see clearer what God wants to manifest to us and through us. I will give you some Scriptures from the Bible that bear this out. So get ready for the Holy Ghost to reveal the process of birthing God's will through us.

Hebrews 11:5-7 KJV By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God. [6] But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him. [7] By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.

Hebrews 11:1 KJV Now faith is the substance of things hoped for, the evidence of things not seen.

We can experience the future before it comes, if we live in God's Word and take what He says as true. God speaks of the future as if it has already come to pass.

Romans 4:17 KJV (As it is written, I have made thee a father of many nations,) before Him Whom he believed, even God, who quickeneth the dead, and calleth those things which be not as though they were.

These verses were spoken before Jesus came to the earth. God was speaking the future as though it had already happened. We must recognize that God wants us to take what was spoken in the Bible about our future, then believe it, and say it, and say it; and it will come to pass in our lives. Let your imagination loose in God's Word, then you and the Lord will be a mighty team!

Love you,
Pastor Paul
