We Are More Than What We Can See.

I'm still ministering on the spiritual life of a believer, verses the natural life. We know that when we received Jesus, we became born again spiritually, but not physically. The spirit inside of a believer is the real person; not their mind, will, emotions, and body. The Church of Jesus has gone through a spiritual change; not just a change of mind. We have actually been re-created spiritually. Let's look at Scriptures that bear this out.

Ephesians 2:10 KJV For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

John 1:12-13, But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name: [13] Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

John 3:4-6 Nicodemus saith unto Him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born? [5] Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the Kingdom of God. [6] That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

1 John 5:1,4-5 KJV Whosoever believeth that Jesus is the Christ is born of God: and every one that loveth Him that begat loveth Him also that is begotten of Him. [4] For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith. [5] Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?

In all these verses we see God's plan for mankind. God wanted everyone to be born again. He wanted to completely re-make man. He wanted people to not just live like man has been living all these generations. He wanted to give man the ability to live like Himself. He knew that He had to re-make mankind for this to happen, so He used His Son to bring this to pass.

In 1986 I truly became another man. I went to Church on that Wednesday night never thinking that something would change me forever. I had been born again for 5 years, and I truly was seeking to experience God's presence and power so much. I really understand now what happened to me that night. The Holy Ghost inside my re-born spirit came out into my body. I had been carrying Him around those 5 years, but that night my spirit, soul, and body became one. My mind was so much under the influence of the Holy Ghost that I said things and did things without the human side of me

choosing to do it. I've had this happen many times since that day, but I've really never been satisfied for this to happen just for short times and then dissipate till the next time. I want to live in God's presence spirit, soul, and body continually!

The world we live in right now is sicker than it's ever been. I'm not talking about just sickness and disease in the body, I'm talking about spiritual sickness and disease that can cause physical disease as well. God needs some serious disciples of Jesus in these last days to bring His healing power to deliver them.

I hope you will be one of them. You might ask, "How can I be one?" This is how; study your spiritual book called the Bible. Start letting it teach you your spiritual identity till you start knowing yourself by your spirit and not just your physical body. Then look out! because you will be joining with God to set the captives free!!

Love you,
Pastor Paul
