

## The Tower of Babel

Genesis 11:1-9

### 1. \_\_\_\_\_ to Move

God's command was to go and fill the earth – to subdue it. The command of God never changed, the condition of men did. And what seems to be a great start to the fulfillment of that command turns horribly wrong soon after.

*Luke 18:23 ~ But when he heard these things, he became very sad, for he was extremely rich.*

### 2. \_\_\_\_\_ toward God

The great rebellion of Babel was not the structure itself, but the pride and arrogance from which it sprang. But that is where all rebellion occurs – in a heart of pride. And, today, we are as much at risk of building our own towers as they were.

*Proverbs 16:18 ~ Pride goes before destruction, and a haughty spirit before a fall.*

### 3. \_\_\_\_\_ of Trouble

This is only the beginning! What mankind proposes to do in rebellion toward God, in pride and arrogance, will thrive in the united gatherings of the human race. The deepest darkness of mankind is often found where they share a common voice against God.

*Romans 1:32 ~ Though they know God's righteous decree that those who practice such things deserve to die, they not only do them but give approval to those who practice them.*

### 4. \_\_\_\_\_ of God

There is often a sense that God punished mankind with the confusion of languages. Could it be that God spared them from a deeper rebellion and dispersed them as His command required? Both judgment and mercy are at play in this scenario.

*Leviticus 26:15-16 ~ "If you spurn my statutes, and if your soul abhors my rules, so that you will not do all my commandments, but break my covenant, then I will do this to you: I will visit you with panic..."*

### 1 Samuel 15:22

**And Samuel said, "Has the LORD as great delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey is better than sacrifice, and to listen than the fat of rams."**
