### Shalom Shabbat School Family!

What a Blessing the month of April has been with the celebration of Passover, Unleavened Bread and First Fruits. What hope these celebrations give us as believers. Praise Adonai that Yeshua has risen and death has no hold on him and, with our belief in his death and resurrection we can have eternal life.

We have also starting counting the Omer and counting down to Shavuot. Shavuot, also known as the Festival of Weeks, is a Jewish holiday celebrated seven weeks after Passover. It commemorates the giving of the Torah (the first five books of the Hebrew Bible) to Moses at Mount Sinai. It is also the time that the Holy Spirit was poured out to comfort and guide the believers after Yeshua ascended back to Adonai. I am so thankful for the gift of the Ruach Ha Kodesh in our lives to help guide us.

Learning about the Spring Feasts and how they have all been fulfilled by Yeshua is so amazing. I long for his return and for all of us to be able to celebrate the Jewish Feasts and Holidays with him! Bo Yeshua Bo!

## What We Learned

In April the students learned about Godly Character Traits from the book of Proverbs. They learned about the wisdom that is provided by God.

The students learned about King Solomon and how he was the wisest person and wrote over 3,000 proverbs to help us understand how to live a good and prosperous life.

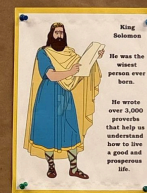

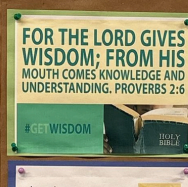

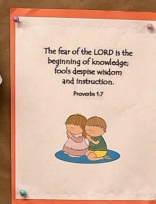

This month the students will be learning about ancient Israel. Shaya is going to be helping us learn songs and dances that will go along with the lessons! We have all kinds of fun activities planned.

BLESSED!
