*“You will seek me and find me when you
seek me with all your heart.”*

Jeremiah 29:13

A LETTER FROM OUR LEAD PASTORS

Dear Student,

The day is almost here, and we are counting down! We are so thrilled you've chosen to join us at Dreamer's Bible College! We can't wait to meet you, and we're so excited to partner with you in this journey. There are so many incredible things ahead, and we believe God is going to bless you greatly as you invest these next months to seek Him and pursue His call for your life.

We want to encourage you, whether you're a native Austinite, or you're making the move here from out of town that as you prepare to enter this next season, you begin pressing into God right now. Don't wait! Lean into prayer daily, and believe for God to make His will clear to you. Prayer will pave the road ahead for you to have the greatest God-encounters and God-opportunities that you have ever experienced.

We also want to encourage you – be excited about Austin, Texas! In Joshua 1:3, God tells Joshua, *“Every place on which the sole of your foot treads, I have given it to you, just as I spoke to Moses.”* We are claiming this promise for the city of Austin. We believe that God has given this city to us as our inheritance, and as you partner with the vision of Dreamer's Church, you are taking part in that inheritance. Believe with us that as we release “A New Sound in Austin”, that a move of Holy Spirit would sweep this city, and we would see the people of Austin won for Jesus Christ.

So, be expectant that you will encounter God in a greater way than ever before; expectant that you will grow immeasurably as a man or woman of God; expectant that you are stepping right in to the middle of God's will for your life; expectant to see a city saved and transformed by the same power that raised Christ from the grave.

We can't wait to get started. See you soon!

All our love,

Pastors Poncho & Lora Lowder

“Now the Berean Jews were of more noble character than those in Thessalonica, for they received the message with great eagerness and examined the Scriptures every day to see if what Paul said was true.”

WELCOME TO DREAMER'S BIBLE COLLEGE

Dreamer's Bible College is a ministry of Dreamer's Church, and in partnership with Portland Bible College. We are committed to raising up, equipping, and empowering dreamers to go after their God-given destiny. We have a passion to help you discover and develop your God-given gifts and therefore become a person of influence in every sphere of your life. You will be equipped with vital spiritual and practical tools for life and ministry through teaching and preaching from the Dreamer's Church staff, Portland Bible College professors, and other guest speakers.

This handbook is designed to familiarize you with Dreamer's Bible College life as you begin this journey with us. It will be your guide to the requirements of the Dreamer's Bible College as well as the many other activities that will take place. This handbook clarifies the values and standards we hold and that we expect you to honor in your conduct as a Dreamer's Bible College student.

During your time here at Dreamer's Bible College we want to encourage you to open your heart to all that God has planned for you. This is an opportunity for you to stretch and grow not only in your spiritual walk but also in every aspect of your life. Life at the Dreamer's Bible College will be rewarding, but it will also present its challenges. Here at Dreamer's Church we value open and honest communication between students and staff. The staff is here to help walk you through any challenges you may face.

A BRIEF HISTORY OF DREAMER'S CHURCH

Dreamer's Church was a dream birthed in the hearts of our Lead Pastors Poncho and Lora Lowder over 7 years ago. They dreamed of planting a church in Austin, Texas with a simple mission—to reach broken dreamers and help empower them to fulfill their God-given dreams. With the help of the initial Dream Team, a passionate group of people committed to reaching broken people in Austin, Dreamer's Church was birthed on October 7th, 2018. That Sunday, hundreds of people, including 25 pastors from the Austin area, met in east Austin at 4 PM.

From the beginning, Dreamer's Church has focused on reaching those who do not know God personally and building relationships through Small Groups. The life-giving message of the Gospel, the passion and joy of Sunday services, and the simple style of Dreamer's Church has connected immediately with the people of Austin. At the same time, we helped other church planters in the city and gave over ten percent of our income to missions/church planting.

We invite you to see for yourself how exciting church can be when the focus is simple, and people are free to seek God with passion. So come dream! Dream with God, dream with others and dream again. Our God loves transforming the lives of broken dreamers into something beautiful beyond recognition.

LIFE IN AUSTIN

Austin is a vibrant, lively city, with a distinct, creative culture. The University of Texas, Austin, is right near the heart of downtown, and as a result, the city is full of young families and college-age young men and women. College sports are a big deal here in Austin, so buy your Longhorns apparel at your nearest team store and you'll fit right in!

Named the capital of Texas in 1839, the beautiful Texas State Capitol Building adds to the beauty of the Downtown Austin area. It was the fastest growing city in America in 2014 and continues to be one of the fastest growing cities in America today. It has developed into a tech hub; Google, Apple Inc, Facebook, Hewlett-Packard, Samsung Group, and many more all hold offices here in the city.

Austin is known as the Live Music Capital of the World, and the city is full to the brim with its live music venues. Folk music and rock are the premiere genres in the city, however there is a wide range of genres available, including jazz, pop, blues, and much more.

You will also enjoy the food and coffee scene in Austin. The city is known for its food trucks, with food ranging from Mexican to Greek, from Chinese to Thai, and it also holds claim to the best BBQ and Tex-Mex in Texas. The coffee scene in Austin is fast growing, and there are plenty of coffee shops to keep the coffee-connoisseurs satisfied. Austin is a fit and healthy city! If you like a late afternoon run followed by a quick stop at the salad bar in Whole Foods, you will love it here. There is an abundance of natural lakes, parks, and cycling trails, and plenty of health food stores available.

For a few specifics of how to enjoy the city, we recommend you check out Barton Springs Pool, Lady Bird Lake, the Texas State Capitol Building, the Baylor Street Art Wall, go watch a Texas Longhorns football game, wait for 2.5 hours for BBQ at Franklin's, grab a coffee at a Stouthaus, and you won't have trouble finding a place to enjoy some live music; trust us!

INTERNATIONAL STUDENTS

STUDENT VISA REQUIREMENTS

For student coming from another country, we provide you paperwork after approval into the Dreamer's Bible College for applying for your B1/B2 Visa.

EDUCATION, YOUR RIGHTS AND RESPONSIBILITY

The United States Government wants overseas students in America to have a safe and rewarding place to study. United States laws promote quality education and consumer protection for overseas students and requires them to have a US citizenship or approved VISA. You will be required to stay in good standing with the VISA you come to America on.

WORKING IN THE UNITED STATES OF AMERICA

International students and their dependents applying for student visas for the first time will not automatically be granted permission to work in America. Students and their dependents will only be able to apply for a visa with work rights after they arrive in America and the student has begun their course of study and there are no guarantees that a visa with work rights will be granted. You therefore need to be sure that you have sufficient funds to support yourself and any family members for your entire stay in America.

Where work rights are granted, students are limited to 20 hours work per week while their American education provider is in session, but they may work full time during holiday breaks. Work rights are intended to be only a supplement to a student's support rather than their sole source of support.

ARRIVAL ARRANGEMENTS

Dreamer's Bible College is happy to arrange pick up to first time arrival international students, during office hours. Please notify the Dreamer's Church office of your flight number, arrival time and accommodation arrangements two weeks prior to your arrival. A Dreamer's Church representative will meet you upon arrival and drive you to your accommodation.

Students are expected to be familiar with the student Code of Conduct. These serve as the guidelines forming the protection of each individual's well-being. Whenever violations of the rules occur, our Pastors will treat them as matters of serious concern because they disrupt the individual lives of students, and the shared life of this Dreamer's Bible College.
