PURE HEART

directions

Before Prop Talk Begins

1. **Use** sticky tack to **stick** the laminated heart on the wall where all the kids can see it.

Prop Talk

Say: Friends, this heart is pure and clean for God! But, what happens when we choose to sin—like when we make a mean face at someone?

1. **Draw** a scribble inside the heart.

Say: Oh, that is sad. Now this heart has an icky, sticky sin in it. Tell me some other sins.

2. Kids **respond**. **Help** them think of ideas if they're stuck: *hurting others, saying mean words, not sharing, not obeying, etc.*
3. For each answer the kids give, **draw** another scribble inside the heart.

Say: Who is the only one who can wash sins out of our hearts?

4. Kids **respond**.

Say: Jesus can! All we have to do is pray and ask Him to forgive us.

5. **Pray** together, “Jesus, please forgive us for our sins. We love You! Amen!”
6. **Erase** the scribbles from the heart with a paper towel, tissue, or wet wipe.

Say: Jesus makes our hearts clean and pure for God!

7. **Cheer** and **clap** together to celebrate.
8. **Say** “Say With Me” listed on the front.
9. For age 4, **ask** “Questions” listed on the front.
