

Committed to God's Calling

Genesis 12:1-4

If God were to call you to go somewhere or do something unfamiliar or out of your comfort zone, how would you respond? Sadly, so many are called to serve and do great works for God's glory, but never get around to answering His promptings. As we come to the book of Genesis, we are reminded of Abraham's story and his commitment to being who God called him to be; a patriarch and faithful father of many nations. What lessons can we learn from Abraham's commitment to God?

"But my righteous one will live by faith; and if he draws back, I have no pleasure in him." -Hebrews 10:38
