

ALL OVERBOARD—PAUL'S SHIPWRECK

Unit 9, Lesson 12

A Plank Puzzle of Protection

On the way to Rome, the ship on which Paul sailed encountered a fierce storm that caused it to be destroyed. Due to God's protecting hand, all 276 people on board the ship survived.

Directions: On the broken ship plank below, draw a picture of a time when you were in danger and Jesus protected you. After you are finished, cut along the outside edge of the plank, then cut your plank into seven pieces. Trade pieces with a partner and put each other's puzzles together. Tell your partner about your picture.
