CHURCH MOTTO: FOLLOW US AS WE FOLLOW CHRIST

Greetings,

I was glad when they said unto me, let us go into the house of the Lord. We have learned over the past couple of months how to still worship every Sunday and Wednesday, despite the circumstances. Sometimes we try to limit that scripture, just to a building. God is with us every where we go and we can make our homes, cars, offices, and any where we go a place to give God the praise. You don't want to miss this move of God, yes, I said move of God. God is still working beyond what we can see in the natural. We are being given an opportunity to get our house in order according to what is written in scripture. Let us continue to pray for God's covering during this pandemic and for one another. I miss seeing everyone on Sundays and Wednesdays. What a time it is going to be when we are all able to come back into the physical building again for worship. Please continue to wear your mask, wash your hands, and maintain social distancing when possible. We love you and are praying for you and with you. If there is anything you need or specific prayer requests during this time, please fill out the prayer request form on the app or website and we will reach out to you. Please find your devotion on the next page.

## **Weekly Devotion**

Greetings in the name of our Lord and Savior, Jesus Christ,

How Long O Lord?

Psalm 13:1-2 How Long, O Lord? This is the cry of King David, in his distress he called on the name of the Lord and asked, How Long O Lord?

Habakkuk 1:2 The Prophet Habakkuk asked that question when he saw violence and destruction all around. "How long, O Lord, will I call for help, and you will not hear"?

How Long O Lord? I am sure this is the question most of you are asking today. God has not forgotten us, He knows, He sees and He hears. Just as He was with King David, just as He was with the Prophet Habakkuk, He is with you. You must continue to stand on His promise, to never leave you nor forsake you.

I remember going on vacations with our daughters when they were small, the question was asked, Daddy are we there yet? My brothers and my sisters we are not there yet, this is just a pit stop, a detour, a fork in the road; BUT GOD who is rich in mercy is about to turn bad situations, unexpected circumstances all around. Don't give up on God, He has not given up on you. Nothing can and never will separate us from His love. Just keep on praying, keep on seeking, keep on knocking - blessed are they that put their trust in Him.

How Long O Lord? Not long! God's time is not our time. Father let Your will be done on earth as it is in heaven. Amen!
