CHURCH MOTTO: FOLLOW US AS WE FOLLOW CHRIST

Greetings,

Are you excited about what God is doing right now in your life? What about what God is going to do in your life? Sometimes we get excited about the big things in life, when we need to rejoice over the small victories God provides for us. We get caught up looking for something big to happen in our lives, when the entire time God is performing miracles before our eyes. Straight from the heart this week, I want you to focus on an area of your life, where you want God to move. There

are some guiding questions below to help you with a base scripture for what God said we should do from Matthew 18. Also, please do not forget to complete your Census 2020. Only 47 percent of Washington County completed the Census as of this week. Call your family, friends, and neighbors and encourage them to complete the Census 2020. The Census determines the amount of federal dollars we receive to support the school system and other local entities.

Matthew 18:18 CSB - Truly I tell you, whatever you bind on earth will have been bound in heaven, and whatever you loose on earth will have been loosed in heaven.

What are somethings you need to bind and let go of right now in your life? What is holding you back from letting the very issue in the heart go? I challenge you to let it go and let God have his way in your life.

God Bless,

Rev. Corian Roberson
