The Census is another way of being able to trace your family history as well. Please complete the 2020 Census and reach out for help to complete the required form or online format.

Thank you for all that you do to make Mt. Olive Baptist Church a successful ministry. We know that Covid-19 is a major health pandemic, which is causing a change in the way we

carry out our daily routines at home, on our jobs, and even in the church. I want you to be encouraged because this is a battle that man cannot win without God. The church was placed here on earth to carry out the plans of God and the church has become too comfortable with just doing the same thing week after week. We must focus on what the Holy Spirit is trying to teach and reveal to us during this time, according to what is written in scripture. I am reminded in John 14:26 (AMP) - **But the Helper (Comforter, Advocate, Intercessor, Counselor, Strengthener, Standby), the Holy Spirit, whom the Father will send in My name (in My place, to represent Me and act on My behalf), He will teach you all things. And He will help you remember everything that I have told you.** We must allow the Holy Spirit to teach us according to scripture on how to handle every situation in our lives.

Continue to pray for one another and the guidance of this nation/community. Now is the time to pray and turn from any of our ways that does not align to the will of God. Pastor loves and misses seeing everybody on Sunday's, Wednesday's, and church events. Please find your weekly devotion on the next page.

God Bless,

Rev. Corian Roberson

Weekly Devotion

Scripture: Jeremiah 29:11

For I know the plans I have for you... Plans for your well being, not for disaster, to give you a future and a hope. You will call to me and pray to me and I will listen to you.

I recall receiving the news that we were expecting our first child. Oh the excitement we experienced. Before our child was born we had plans of where they would be attending college and what they would be in the future. Optimism filled our hearts and we were willing to go over and beyond to ensure a bright future for someone that we had not even met.

If we are merely human beings, can you imagine what our all powerful heavenly father has in store for us? We know his intentions for us. He has stated them plainly. What are we doing as children of God. Do we trust our father to take care of us? Is he our place of refuge? Do you seek him, pray to him?

Think about the relationship that you have with your parents, or that your children have with you. Evaluate your relationship with God. Trust his plan. He wants the best for you. His love is unconditional.
