

DEAN MEADE
Discipleship Pastor

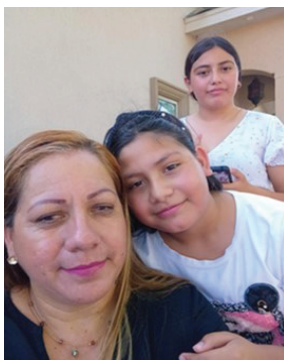

A Senior Pastor that I once worked with said, “When it comes to fulfilling the missions, there are givers and goers...and some are both.” He was referring to how God works in and through all of our lives to complete things beyond what any one of us can do alone. That said, we have a great opportunity this summer, July 10-14, 2023 to partner with Buckner International in the Rio Grande Valley.

We will be partnering with Buckner International to build a home for the Gauna family. The Gauna Family has been actively participating in the Family

Hope Center of Buckner International and have completed their family coaching and achieved the goals they set to be ready for a new home. As Buckner builds lives in the valley, we assist by building a home. Jose, the father, had some health issues and has been recovering for several months. Elvira, mom, has been the sole provider for the family. Brittney is 16 years old and loves participating in her school’s soccer and robotics programs. Brenda is 11 years old. She was born with Spina Bifida and sees four different specialists. The Gauna family currently lives on a rental property in a trailer that is in extremely poor condition with no drinkable running water. They rely on bottled water from the homes of family and friends. Elvira decided that it would be a great investment to purchase land and get involved in Buckner International’s Home Build Program. We look forward to the opportunity.

Besides construction, we will hold a cooking class to teach busy families how to use an Instapot to make meals easier. Each participant will receive their own Instapot for participating. We will also hold a sewing class to teach participants how to hem clothing, make drapes, and other items that will benefit households. Each participant will receive a sewing machine for their household. We will also hold a soccer camp and a flag football camp for kids age K-6th grade. There really is a place for everyone to serve on this mission trip. Consider going and serving. You can sign up on the Events Page of the Northside website. If you find yourself in a busy season and cannot go, consider giving. We are well on our way to financially making this trip happen with a goal of \$30K to go. If you’d like to help make it happen, designate your gift to RGV Mission Trip.

It is a privilege to serve as your Discipleship Pastor,

Gauna Family
