THOUGHTS ON THE JOURNEY

Good Morning Northside family and friends. I hope that you are doing well. I hear that this week we may have a few cool days... Like upper 80's instead of the 110's. I hope we can all enjoy the cooler days this week and be reminded that God loves us and provides all that we need.

This morning, we will be continuing our series Darrell started a couple of weeks ago, and we will be focusing on 1 Timothy 2:1-2. We are mandated to pray for our leaders, but sometimes they make it hard to do so. With my time here I have learned that you all are a praying church, and you really pray for others. When you learn of a need or problem, you pray. I have experienced this so many times first hand, and I am always amazed. I have also seen and experienced how you pray for the staff here. The past few times we have had the Prayer and Praise Service, I saw the request for local, state, and national leaders. As we focus on this passage, we will focus on why we pray for others and our leaders. Today, I will also be asking, "How do we pray?"

On another exciting note, we have the mission trip to the Valley underway and Pre-teen camp this week. There will be people everywhere this week, and I am excited because I will be heading to Pre-Teen camp. I also know that you all will be praying for both of these great events. Please keep our mission team in your prayers as they come back on Wednesday. Our Pre-Teen camp leaves early Thursday morning and will be back on Saturday afternoon. We will have prayer bracelets and a list of campers if you would like to grab one or more to pray over.

Thank you for loving me and my family the way that you do, and also for being a praying and caring church. Your prayers are felt and so welcomed. Please keep praying for Dean and his family as they transition to their new front line. Please pray for the leadership and pastors here as we fill in roles and begin the search for a children's and discipleship pastor. Love you Church, and I'm excited to worship with you this wonderful Sunday morning.
