THOUGHTS ON THE JOURNEY

We welcome the Grace Community to worship at Northside Baptist Church. For those of you who are unfamiliar with the Grace Community, let me explain. The Grace Community centers around retreats for men, women, and teens. Several times a year, a team is assembled to plan a retreat. What happens on the retreat is somewhat of a secret (shhhh), but suffice it to say, it is a time that people are allowed to pull away from all that is going on and intensively focus on God for a weekend.

During these Grace Retreats – people who are far from God, people who have grown weary in their walks, or people who just need some time with the Lord – are given the chance to experience Him in a new and fresh way. Many of the guests who are joining us today have just returned from such a retreat. They have heard teaching, spent time in prayer, spent time in discussion, and hopefully have experienced a fresh move of God in their lives.

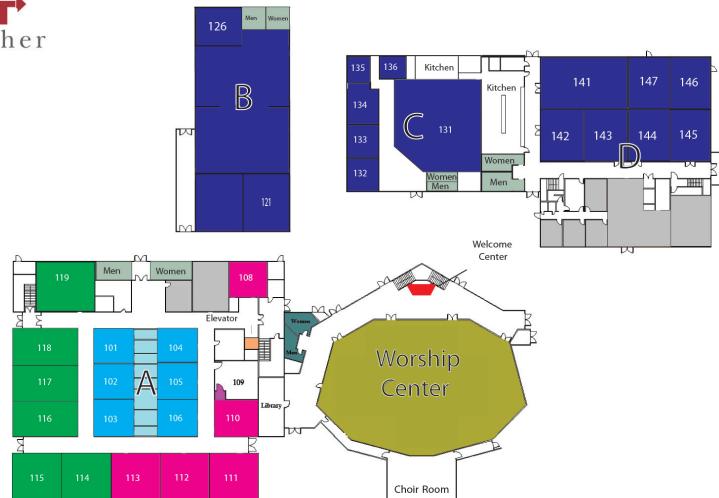

I hope that you will make them feel welcome. However, more than that, I hope that you will pray for them. They have spent a long weekend away, and now they are walking back into life. Many of the commitments they have made will be challenged. Many of the old vices and hang ups are waiting to tempt them. While they have been away, life has continued as normal for everyone around them. Pray that commitments will be kept, new patterns will be established, and that families will be forever changed.

If you have never experienced a Grace Retreat and would like to go, see me, or any of your church members that you see in Grace shirts, and we will be glad to get you pointed in the right direction. While there is no substitute for what the church is called to do, there are organizations that help us in our mission. I truly believe Grace to be one of those organizations.

Honored to be your pastor,

DARRELL
