CODY MOORE  
Student Pastor

Hello Northside Family and Friends! I hope that you all are doing well in this busy season. I hope that you are healthy, well and blessed. We are blessed to be here and be a part of this busy season with you and our community. I love the fall season... football games, bands marching and playing in the stands, cheerleaders cheering, volleyball games with packed stands of people cheering on their teams. I get to see cross country kids up early running most morning as I drop off my kiddos. A lot of people with teenagers and kids right now are moving and going all the time

with little down time to stop and think. It was like covid made us hit the pause button, and then made us hit the fast forward button to make up for lost time. Please be praying for our families with kiddos as they travel and do.

For those families just know we are here praying and trying to make it to see all your kids in their extra-curriculars. I love seeing kids doing their things and their families supporting them. I also struggle with how much we have to go for these things. My kids are getting older and I see the strain it puts on us and I pray that they enjoy their time and the activities they are doing. I pray that they are making memories that we will be talking about for years to come. I pray that they are being the examples God has called them to be in those things. The students and their families we have that come here are lights in the darkness. Please join me in praying for our students, their parents, their teachers, their coaches and directors, the administrators, and everyone that serves with our kids. I pray that they are healthy and rested. I pray that they are lights shining bright each and everyday. I pray that they are safe and sound as they travel. I pray lots of things for lots of people. Please join me as we keep praying for all of these folks during this season.

I want to invite you all to come up to the youth area October 15th starting at 9am to pray for our families and students in our community. If you can join us we will have the youth worship area open and prayer cards to help guide you through praying for them. Keep an eye out for more information.

Thank you sooooooooooooo much for loving us well, and allowing us to serve alongside you and the families here.

*Cody Moore*
