VOLUME 35, ISSUE 21

CODY MOORE  
Student Pastor

Hello Northside family and friends!

I hope that this finds you doing well. I have walked out of the house the last two mornings and just took a deep breath and enjoyed the cool, fall air. I may be a little happier with this weather. I love cool weather! Enough with that, I am excited about the next few things we have going on in the youth ministry. RAD Weekend is getting closer and I am really excited for all that is being planned for this year. Wes Henson will be our speaker. Wes and I met a couple of years ago and right away we became good friends. He is an awesome man of God and an even better youth pastor. He hails from Kerrville and serves Trinity Baptist. The worship band is going to be Joel

Vaughn and his crew. I love being able to worship with Joel leading. He is an amazing guy and loves leading people in worship and being with our kiddos. David Rodriguez will be back with us, but will be bringing and leading the college leaders that will be serving for the weekend. We have more churches jumping in to participate this year. So, I'm really excited to see how God moves and works. Pray for us and also know that we are working to get information out before Christmas.

We are also doing something a little different but fun on Sunday Nights. Josh Zeller, Scott Wakefield and I are walking through questions that our students asked from a video of a man that does not believe in Jesus. In this video, he builds his defense for why he does not believe in God. After getting these questions, we have gone to work to help our students see where scripture proves who Jesus is and shows how we are to live. We just started this past Sunday evening with this and are looking at a Voddie Baucham video, where he lays out an awesome defense for the validity of scripture. I want our students to hear what the world is saying and help them build a biblical world view. I want them to ask the hard questions and talk through the hard things now before they graduate. There were awesome responses to the first week and we are looking forward to the next few months, diving into these questions together. Please be praying for our Sunday evenings together.

Last thing... I have been so blessed to serve here and grow here where God planted us. You all have loved on us so well, and I can not thank you enough for taking care of me and my family. Thank you for your thoughts, prayers, and notes. We are all getting back to where we need to be. My foot is doing so much better, and Abigail's shoulder is still having some issues, but we are getting to the bottom of it. Please keep praying for us as we serve and love you all. It is a great honor and privilege to be able to serve such an amazing local body.
