The Greatest Wonder of Them All

As we enter the season of Advent, we celebrate God authenticating his presence by entering human history in the person of God's son made incarnate. This ultimate act of humbling God's self was and is the pathway to reconcile humanity with God as Jesus's suffering and death paid the penalty for our sins.

There are four accounts in the Scriptures concerning the birth of Christ.

- The first and probably the least known because of its apocalyptic flavor is found in Revelations 12:1-6. It is referred to as the Cosmic Christmas Story. (I invite you to google it for explanation.)
- The second is Paul's theological birth story recorded in Philippians 2:5-8 regarding an emptying of himself taking the form of a slave, being born in human likeness."
- The third is John's account recorded in John 1:14-18. "And the Word became flesh and lived among us, and we have seen his glory as of the father 's only son, full of grace and truth."
- The fourth is the birth of Christ as told in Matthew 1:18-25 and Luke 1:26-2:20. The simplicity of the story and its tenderness of the incarnate Christ is by far the most beloved account early tucked in our heart to stay a lifetime.

To me, God authenticating His presence by entering human history in the person of God's

Son made incarnate is the greatest of God's Wonders. For sure every one of the innumerable Wonders and mighty displays of God's love, power, and protection are significant but Immanuel, God with us is number One.

Within this Wonder of Christ's birth, as all in others deeds of The Almighty, there are treasures to meditate on adding more meaning to gifts given. I share one that stands out for me. God cries! Is that not something?! The One with limitless power and inescapable presence and who set the stars in place and calls them by name (Psalm 147:5) came to be with us crying as a baby. What can be more humbling and loving than that!

A blessed Christmas season to you and yours.

PS. I would be delighted to listen to your wonders of this Wonder we celebrate together. You know where I am.

Thank you note:

The Neenan family appreciates so very much the prayers, kindness, and memorials you have sent our way in our season of grief regarding our brother, Mike. It has been a tough road to travel, and the St. Luke's family made it a little easier to journey on through this past year. Please continue to especially remember, Dorothy, his wife and their children, Debbie and Brian, along with their own families.

CHILDREN'S MINISTRY

So many fun things are happening for our children as we enter into such a magical season of the year. Beginning on December 1st, we will be bringing back a special Advent class for our children. The combined Sunday School class for JK-5th Grade will meet in the Day School Lobby. This special class is called, "Tis the Season for ADVENTure!" and each week the children will get to discuss the different components of Advent: Hope, Love, Joy, and Peace. They will get to create something special for each theme that will be displayed for the whole church to enjoy. The class will meet together in the Lobby weekly from 9:15-10:15 am until Sunday, December 22nd, which will be the final week. Our Children's Choir is also back up and running this year being led by our very own, Mrs. Amy Pearson! The kids practice weekly in the lobby after Sunday School classes and the church will get to hear their hard work on Sunday the 8th.

Finally, on Friday, December 13th we will be having another "Holiday Hope Night" this from 5:30-7:30pm. This night is a time for parents to get some peace and quiet during one of the busiest seasons of the year. The children will be dropped off in the Fellowship Hall for pizza, a movie, crafts, and games and parents can go run errands, have a nice dinner out, or maybe even take a nap! This event was so fun last year and we hope to have even more kids come this year. It is free to attend and open to all ages JK-Fifth Grade, but we can add a nursery for infant and preschool age siblings if requested. Be on the lookout for a registration link and as always, if you have any questions do not hesitate to reach out to Mary Page Contreras. We could use volunteers too! We have so many fun things planned for our children to enjoy the true meaning of the season and share their special gifts with us all, as well as have some fun! I hope you and your family can be present for all the good to come and we can enjoy the magic of the season together.

BLUE CHRISTMAS SERVICE

DEC 18, 2024 6PM

A SERVICE OF HEALING AND HOPE

Blue Christmas, Service of Light, or Longest Night are the labels we attach to a winter service that provides quiet, contemplative moments conducted in the Christmas season. This year our service is a Blue Christmas service since it does not fall on the Longest Night. But as in years past this service provides quiet moments of reflection, litany, scripture, guided meditation, song and prayer for those who may find themselves facing difficulty in finding a balance between periods of struggle and the hope, joy, love, and peace held out before in the lives of many around us caught up in the seasonal celebrations. In our service on December 18, as we meet in the chapel, we pray that you will find rest for your soul and the hope that God provides. May this service reveal to you the presence of the God of Love who meets us in the middle of the mess and pain of every day in the lives of those around us.

Join Us for Sweet Sunday on December 22nd, 2024

The fourth Sunday of each month, we have a time of sweet treats and sweet fellowship between Sunday School and Church. Join us for our next Sweet Sunday in Hospitality Hall on December 22nd, from 10 a.m. to 10:25 a.m. Treats and Coffee will be there. We just need you to come share a little sweetness.
