The Season of Lent

Saint Luke's family,

I like the way a clergy friend of mine views the season of Lent. He thinks of Lent as an annual spiritual checkup. He visits his doctor once a year to check on the state of his body: he rejoices in the ways it is healthy and he learns what steps he needs to take to repair those parts that need some medical attention or a little exercise. In the same way, during Lent we as individual Christians and as a church---the Body of Christ---consider our spiritual health. How are we living the gospel in our lives, our homes, our churches, our towns, our schools, our places of work? What areas of growth or signs of renewal should we celebrate with gratitude and joy? In what ways have we fallen short, grown stagnant or cold-hearted, or failed to love God by embracing gentleness and kindness?

These are the kinds of questions we ask of ourselves during the weeks of Lent.

A blessed and faithful Lenten Season,

A handwritten signature in black ink that reads "Pastor Jim".

In our Children's Ministries at St. Luke's we have so many fun things planned for the very special Lenten Season! First, we are excited to be offering a Wednesday night series during this season starting Wednesday, March 19th at 6:00 pm. Dinner will be provided during this series and there will be studies and activities for all ages in the family. Next, we will be bringing back our combined Sunday School class for the Lenten Season to take a deeper look into this important time in the life of Christ. We will gather weekly downstairs in the Day School from 9:15-10:10 starting on Sunday, March 23rd. We will also be bringing back choir practice weekly on Sundays from 10:10-10:20 am in the Day School lobby. Practices will begin on March 16th and the kids will perform on Palm Sunday for the whole church! Finally, we have the highly anticipated Easter Egg Hunt scheduled to take place on Saturday, April 12th from 10:00-12:00 pm and we still need volunteers! We will have two Easter Egg hunts for different age groups running at the same time, as well as many other fun activities and games going on the whole morning so please reach out to Mary Page Contreras if you'd like to volunteer. We will also gladly be taking donations of small individually wrapped candy to stuff the eggs, as well as empty easter eggs, and Little Debbie Snack Cakes if you want to make a contribution instead of volunteering time. The Heart of Harmony: The Value of Choirs in Methodist Worship

In Methodist worship, the choir serves as more than just a group of singers; it is a vital ministry that enriches the spiritual life of the congregation. From leading hymns to offering stirring anthems, choirs create a bridge between the spoken word and the soul-stirring power of music, drawing worshippers closer to God.

Methodism's founder, John Wesley, emphasized the importance of congregational singing as a means of grace. His "Directions for Singing," included in early hymnals, encouraged worshippers to "sing lustily and with good courage." Methodist choirs

embody this spirit, acting as leaders in the musical life of the church, inspiring the congregation to lift their voices in praise.

A Methodist choir is not merely a performance ensemble; it is an integral part of worship. Through carefully chosen anthems, responses, and choral settings of hymns, the choir amplifies the themes of the sermon and liturgy, providing spiritual depth and resonance. Whether offering a soaring rendition of Amazing Grace or an intricate piece of modern sacred music, the choir's role is to guide and enhance the congregation's worship experience.

The choir is also a community within the church, fostering fellowship and spiritual growth among its members. Weekly rehearsals and Sunday services become opportunities for prayer, shared faith, and mutual encouragement. The bonds formed in the choir often extend beyond the sanctuary, creating a strong network of support and friendship within the church.

Methodist choirs often reflect the diversity and inclusivity of the broader congregation. From children's choirs that introduce the youngest members to the joy of worship through song, to senior choirs that celebrate a lifetime of faith,

choirs represent a living, multi-generational testimony to the enduring power of music in spiritual life.

The value of choirs in Methodist worship lies in their ability to connect heart, mind, and spirit. Their voices invite the congregation to enter fully into worship, offering not only a musical gift but also a spiritual one. For many, the sound of a choir is the sound of the church itself—a reminder of God's presence and a call to unite in joyful praise.

Here at St. Luke, our choir is a living symbol of harmony—musical, spiritual, and communal. Their voices lift up not only the music but also the hearts of all who hear, carrying forward the rich tradition of singing faith that has defined Methodism for generations.

For this 2024- 2025 winter season, our St. Luke's family gave enough winter gear to overfill 4 totes for the students of Sherwood Elementary School. And when our Love in Action outreach, led by Clancey Patterson this month, organized a Valentine's project, you pitched in and helped make 480 Valentine's bags for each and every student. Also, the staff did not go unnoticed. Bette Colter and Barbara Simpson made a special homemade Valentine with words of love and encouragement for each of the 65 people on the staff at Sherwood.

St. Luke's Family, your generous gifts and acts of love and kindness to the students and staff are so so needed and appreciated. Once again, we, my small group and I, are overwhelmed by your thoughtfulness and generosity. Thank you from the bottom of our hearts.

Melinda Kaler, Bette Colter
Barbara Simpson, Jacki Romey
