

## **Believe and Receive The Prophetic Word...** Experiencing More in 2024

Each year we prepare our hearts and have ears to hear the cooperate prophetic Word for this house and our individual lives and commit to fasting and prayer for the year to come

There are some things that will happen this year that may take you by surprise, but rest assured nothing takes God by surprise. Your steps are ordered, and His hand is on your life writing your story and orchestrating every moment and every event.

But you have a part to play...believe

Believe for divine connections and celebrate the victories of others. Get out of the ordinary and believe for the extraordinary. This is a season for productivity in the lives of the believer who has intentional Faith. The enemy don't have to stop you but just distract you from your focused faith; I call it broken focus

Broken focus will hinder productivity in your life and prevent you from moving forward in 2024. So, listen to the voice of God and the voice of a stranger do not follow. There will be moments of contradictions in 2024 but stay grounded in gratitude and believe and focus on the prophetic Word...More and not less...pass the test

Do not throw away or cast away you Faith as some Believers will do. Believe in the Word not the manifestation of the Word which is the fruit of your Faith

Thomas put his faith in what he could see but intentional Faith is what you cannot see

Intentional Faith

-Trust in a God I cannot see

-Rely on a God I cannot feel

-Believe in a God I do not understand

Learn to Endure the process and believe God anyway. The decisions you make today affects your tomorrow. Start before you're ready because you will get more on your way. Begin with the end in mind. When things go wrong.... the why is not redemptive

Journal the journey so you can see how far you have come. Name it and claim it. Life is not just about surviving but thriving. This is the season of impossibilities impossible Faith.... believe for the impossible... Mark 9:23 AMP

Opposition is opportunity to believe God and determination is the seed for success

Say: In 2024 I'm believing for more....

Vince Lombardi, the legendary coach of the Green Bay Packers, is famous for saying, "Winning isn't everything-it's the only thing". God created you to win in every area of life spiritually financially, professionally, relationally,

Winning is God's purpose for your life. Kingdom Winning is not having dominion over other people, but dominion over circumstances and the demonic forces behind the problem.

So it's those forces and circumstances the real winner puts under his feet. So winning is neither exclusive nor dominative. God's concept of winning is good news for everyone!

Foundational Scripture

Philippians 3:13-17

Brothers and sisters, I do not consider that I have made it my own yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal to win the [heavenly] prize of the upward call of God in Christ Jesus.

All of us who are mature [pursuing spiritual perfection] should have this attitude; and if in any respect you have a different attitude, that too God will make clear to you.

Only let us stay true to what we have already attained. Brothers and sisters, together follow my example and observe those who live by the pattern we gave you”.

Philippians 3:13-17 AMP

I have survived not arrived

Paul knew he had been apprehended by God for a special purpose. You too have a unique, divinely appointed destiny. If you want to a winner, you must purpose in your heart to pursue that ordained destiny. We should have the same attitude as the Apostle Paul.

When it comes to enjoying everything God wants you to have.... you haven't arrived yet.

So don't ever get satisfied with the status quo....believe for More!!

Finally, Paul goes on to say, “I press toward the mark for the high calling of God in Christ Jesus.” This is the core teaching for 2024

It contains four terms that represent the keys to finding and fulfilling God's destiny for your life – “press,” “mark,” “prize,” and “high-calling.”

In order to be a winner, you must press toward a particular mark. Believers who press toward the wrong mark never make it. To press means to make an all-out effort. Non-winners don't press.

They routinely fail to make maximum effort to reach their goal and they are unwilling to continue giving the amount of effort needed to win. When you think about what makes a person press, you'll realize it is believing. Before we're willing to press, we must believe the effort is worth the result it is going to produce.

If you don't believe you'll never press long enough or hard enough to arrive and realize your God fulfilled destiny or calling in Christ Jesus!!

God's high calling is a wonderful place to be.

It is a place of all-sufficiency. It is a place of great influence. It is a place of supernatural and harmonious relationships.

Paul didn't say, "I press toward the prize." he did not say he was pressing toward the high calling. Paul talked about pressing toward those "marks" to obtain the "high calling of God."

The prize is his motivation, but it is the mark that he sets his sights on. The mark is defined as an intermediate goal or objective, and if you'll focus on and move toward it, it will keep you on course.

Good bowlers don't aim at the pins – they focus their aim on the marks.

-each lane has on it a series of marks that lie just a few feet in front of the bowler

The dream that God has placed in your heart may not be well defined enough for you to know what to do next so focus on the mark. His Word has given a mark you can press toward.

And as you press towards the mark with maximum sustained effort you will experience a life of More in 2024. You are Born to win and have the authority to cancel any and every demonic activity or assignment against the plan of God for your life

Pressing toward the mark will bring you God's best in 2024... much effort is your part. It is the way of the winner.

You will experience what God created you to do—winning in every area of life!

Do you believe it then receive it right now in Jesus Name!!!

Believe and Receive...More in 2024
