## DAILY SCHEDULE

Our schedule is consistent yet flexible to accommodate the needs and interests of the children.

**Greeting Time:** We sing a hello song to welcome our group to school. Greeting time includes calendar, weather and Message Board.

**Large Group Time:** Children will engage in a music and movement activity, game, or group activity.

**Work Time:** Play is the work of the child. Areas of the classroom include: Art, Blocks, House, Reading, Large Motor, and Sensory. Materials within each area will rotate and vary based on what the children are learning or showing interest in. A snack is provided during Work Time.

**Clean Up Time**

**Small Group Time:** Children will join their primary care group and participate in an open-ended teacher led activity.

**Outside Time/Group Time:** We play outside daily unless the weather does not allow. In the case of inclement weather, children will engage in large motor play or visit the gym.

For our full day students, they will eat lunch, have a brief "rest time". We will return to the same parts of the day listed above. A more detailed daily routine can be found in our Parent Handbook.

## ABOUT OUR PROGRAM

At First English Lutheran Preschool (FELP), children are unique individuals who learn through play in a safe, nurturing and inclusive environment. Our teachers are knowledgeable in the field of child development, provide appropriate developmental experiences for each child. First English Lutheran Preschool's play-based philosophy enriches the whole child, including social, emotional, physical, cognitive, creative, and spiritual development.

Children will learn and grow as they experience the school routine and engage in active learning in a stimulating environment. Our classroom is a very spacious, bright and open space. We are licensed with the State of Michigan.
