PORT CITY CHURCH INVITES YOU TO

# EASTER

- RETURN TO THE GARDEN -

*From the opening pages of Scripture to the promise of what's still to come, God's story unfolds across four gardens. Each one reveals something powerful about Him – who He is and what He has done for us. Through worship and word, the wonder of Easter will return as we journey through the gardens to discover how God restores, redeems, and is busy making all things new. Please join us at the service time and location that works best for you:*
