ABOUT **INSPIRE**

INSPIREGLOBALSISTERHOOD.COM

We believe every girl of every age has the right to hear that they are created in the image of God. We believe that every girl was purposely designed with value, potential, and destiny, and we believe that every girl can INSPIRE the next girl to believe in Jesus. We do this by creating opportunities for girls to unite together, forge new friendships, deepen their spiritual roots, and connect both heart and soul.

Can you imagine how many women and girls have still not heard the message of Jesus? Please join us in The INSPIRE Project and let's be sure every girl is INSPIRED to know Jesus!
