FURTHER
FARTHER
FASTER

“Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, “The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.””

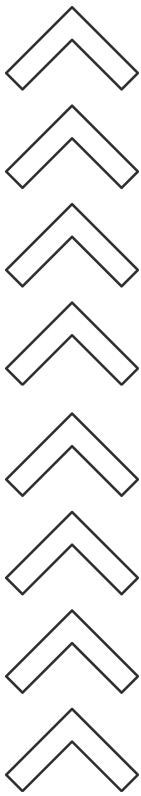

Matthew 9:35-38 (NIV)

Jesus went from heaven to the earth and from earth he went to crowds. Crowds filled with people from every social class, ethnic group, and education. Crowds are indiscriminate and so is Jesus' compassion.

Compassion moved Jesus to action. He preached good news. He delivered hope to frail and failing bodies. He asked his closest friends, “Would you be moved to care as I care? Would you work alongside me to reach who I'm reaching?”

Reach is our response to Jesus' request.
“Yes, Jesus, we'll reach further, farther, and faster.”

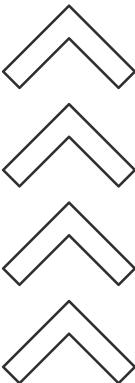

REACH
REACH

Here in Central Wisconsin, we are called to share the goodness of God with our families, neighborhoods, workplaces, and third spaces. We also have trusted partners and friends in 39 countries that are doing the same. All of us are moved to live like Jesus, no matter where in the world we are. God has given us the responsibility to tell his story in Marshfield, Central Wisconsin, the Midwest, and the farthest places on earth!

To do this, we work alongside these trusted partners at home and away. We generously fund their projects and we give time to walk, drive, or fly from our neighborhood to theirs. We're committed to this effort to see people be made new, find freedom, discover purpose, and live fully alive in the name of Jesus.

HOW CAN WE REACH?

This year, God has opened up dozens of opportunities to see exactly that happen! We have an invitation to remodel ministry spaces, build a center for abandoned women and children, buy mountain bikes to gain access to remote mountain villages, provide scholarships to future church leaders, and dozens of other opportunities to see Jesus reach people in global places!

Allow the Spirit of God to move you to serious generosity this year. By moving your time and dollars to REACH, we will see the story of Jesus truly reach further in frequency, farther to places it's never been, and faster so that every person can respond before Jesus returns.

Since 2022, North Ridge Church has given over \$750,000 to see lives, communities, and nations changed by Jesus!

2026 is our biggest year ever imagined!

We're asking God to miraculously allow us to raise

\$250,000

To see this happen we need YOU. Will you dare with us to see a quarter of a million dollars raised to see the gospel imagination of our church and partners come to reality this year?

If you're excited to know the many dreams coming to Central Wisconsin and the others that are being realized around the world, move these pages and be moved to pray with us for our biggest miracle year!

WHAT ARE WE ASKING?

WHAT IS MY BEST GIFT?

Last year, 156 people in our church family gave their best gift to see \$216,992.73 given away to see lives changed by the story of Jesus. We saw...

82 give \$1 - \$500

31 give \$500 - \$999

32 give \$1,000 - \$4,999

5 give \$5,000 - \$9,999

6 give over \$10,000

Be moved with us this year as we ask for the greatest miracle year we've ever seen. Imagine with us what your greatest gift to see the lost found might look like in 2026!

Plan: My best gift in 2026 will be \$ ____ , ____ . ____

Vision: My best gift in 2026 could be \$ ____ , ____ . ____ if I ...

Dream: My best gift in 2026 might be \$ ____ , ____ . ____ if God...

YOU ARE
REACHING**

Pamir Mountains, Tajikistan

GLOBAL PARTNERS

REACH PARTNER MONTHLY SUPPORT

We have 41 strategic partnerships with workers and organizations from Marshfield to Mexico to the mountains of Nepal. Our support of their work allows them to be in places we may never see and speak with people we'd never meet, with a hope that heaven will be filled to the brim with people who've learned to love and serve Jesus.

REACH PARTNER CARE

As generous people, we are serious about doing more to care for our partners than committing to monthly support. When they visit us, we're generously hospitable. When they're away, we bring teams to bless, encourage, and honor them and the work they're doing to reach further, farther, and faster.

CONVOY OF HOPE: GLOBAL DISASTER RELIEF

War, famine, and natural disaster are an unfortunate and inevitable result of sin in our world. While we may not know when or what pain will cause doom to invade in our news, we have determined that our generosity will cause hope for those that need it.

BANGKOK ICA: PAKISTANI REFUGEE CARE

Brandon & Rachel Powell | Thailand

Pakistani families are arriving in Bangkok seeking refuge and asylum after facing persecution and threats of death for following Jesus in their home country. These believers will not suffer alone. Our partnership with this work will allow our friends who lead an international church in Bangkok to come alongside these refugees to provide emergency support and a learning center to provide education for children.

BOY'S HOUSING PROJECT

Brandon & Rachel Powell | Thailand

We have previously supported work in Thailand that seeks to reach at-risk-youth in the public schools and youth prisons. With land already secured, our support will help this mission grow as a housing center for boys is built that will provide a place where boys can transition from youth prison. This space will also provide children and youth outreach programs. We want to ensure that youth are equipped and grow in spiritual maturity as they launch into adulthood.

THE GARDEN ROOM REPAIRS

Tod & Andrea Chapin | Scotland

To see the continued work of advancing the gospel further, farther and faster, missionaries and pastors need opportunities to receive rest, care and spiritual renewal. Tod and Andrea provide a ministry space for just this type of care, but the space is in need of structural repairs to ensure that the facility can continue to serve as a safe, welcoming and functional environment. Our help will allow pastors and missionaries to be hosted in this space for spiritual refreshment, crisis care, and training.

L' EGLISE LA RENCONTRE: PASTORAL TRAINING

Kevin & Noelle Miller | France

Spiritual mothers and fathers are being developed and raised up throughout the world. Three couples from L'Eglise La Rencontre have sought the Lord and are stepping out in obedience and faith to pursue Bible college so that they can pursue full time ministry. Our dollars will help support their studies and, just as we look to equip and release the next generation of leaders for Christ in our own church body, we get to partner with those pursuing this call on the other side of the ocean.

Misir Carsisi Bazaar, Istanbul, Turkey

Kali Gandaki River, Lower Mustang, Nepal

LEGACY TOURS: TOUR COMPANY

Josh & Marie Vaness | Kyrgyzstan

To reach remote and sensitive places, often creative endeavors are needed so that access and relationships can be built through repeated visits. With our support, our partners in Kyrgyzstan will be offering adventure bikepacking trips and other treks to tourists into these regions. A tourism business creates the legitimate standing needed to continually show up in these areas, while also providing opportunities to seek and search for Muslims that are open to hearing the gospel. Short term teams visiting these partners would have opportunities for adventure and evangelism! Our gift will purchase bikes, safety equipment, and maintenance supplies that allow Christ's message to be spread in a fun and unique way.

ОШТИ КАЛИСО : WOMEN'S RESCUE SHELTER

Al & Steph Kinnunen | Tajikistan

Many homes in Tajikistan are fatherless due to fathers and husbands leaving to seek work in Russia. Sadly, many do not return and leave mothers vulnerable and destitute. Oshti Church, a life giving and spirit filled church in Dushanbe, is led by a dynamic pastor named Horshed. The Kinnunens praise his work as he seeks to reach these moms and children with love, compassion, and now practical support. With plans and volunteers already in place to serve these women and children, our financial support will assist in the remodeling and construction of a space that will become a temporary shelter for mothers and children. Truth will be spoken over these families and light will shine into dark places.

ENVISION BUILDERS : GREENHOUSE

Michael & Elizabeth Kramer | Nepal

Nepal is home to the Himalayas and 30.5 million people with only 4.4% of those having a knowledge of Jesus. With evangelism being illegal in Nepal, our partners use civil engineering projects to create gospel opportunities. Much of Nepal is hills and mountains which get very cold in winter. Greenhouses meet a community and kingdom need by providing a place where vegetables and food can grow and be sold by believers passionate to see lost Tibetans be made new in Jesus. Our giving will fund a greenhouse in a Himalayan village so that the people in the area can be fed both physically and spiritually.

Greenhouse, Kagbeni, Nepal

LOCAL PARTNERS

NRC: LOCAL COMMUNITY CARE

Across the globe and in our hometown, we see work that Jesus needs to do. These funds allow our church to do a great variety of work: partner with local schools, pay rent or utilities for at-risk people in our church family, purchase Christmas gifts for kids in struggling families, or provide hygiene products for women in need. Our partnership means that the needs of the needy will not go unmet!

NRC: SOUTH SIDE DEVELOPMENT

The South Side is our favorite place to meet with our church family. In the last few years it has been beautified by adding ponds and made usable with a new garage. These funds will continue to allow us to improve and reclaim this property to reach our community with the gospel!

FIRST CHOICE PREGNANCY CENTER

Chakaun Jackson | Marshfield

80% of abortion minded women change their minds when they see their babies heartbeat on the monitor of an ultrasound. To protect life and future generations, we will supply funds to provide staff training and sonography equipment to the Marshfield center so women can see the precious life that is developing in their wombs.

ST. VINCENT DE PAUL: FEEDING PROGRAMS

Laura Mae Kueffer | Marshfield

Nearly 10,000 people in Wood and Clark County do not have secure access to food. We refuse to reach further, farther, and faster around the globe without reaching the basic needs of underserved families in our local communities. This support will provide resources to local pantries to feed the hungry in the name of Jesus.

FEED MY STARVING CHILDREN: MOBILE PACK

Shannon & Toni Nienast | Marshfield

Hunger causes nearly half of deaths in children under 5 years old. This is heartbreaking. Dedicated to seeing every child whole in body and spirit, this organization works with food distribution partners and nutrition professionals to develop meals to reduce problems with malnutrition across the globe. Our support will allow our Marshfield community to gather, pack, and send meals to hungry kids around the globe.

CITY ON A HILL: BOARD DEVELOPMENT

Mike Williams | Milwaukee

Milwaukee is one of the most segregated cities in our country and this partner has been fighting to change that statistic over the last 25 years. To meet the strategic needs of this challenging ministry, the board and executive leadership have requested intentional training to be effective in impacting in their city. Our commitment will provide development resources to secure a bright future for this crucial organization.

NEXT GEN PARTNERS

NORTH RIDGE SCHOOL OF MINISTRY

North Ridge Church | Marshfield

To see spiritual mothers and fathers raised up, we believe we need to ready and equip our family with biblical truth for our ever-changing world to be publicly fruitful and privately filled by the Spirit of God. Your support ensures that our endeavor welcomes a third year of students and sees our first class graduate!

NEXTGEN SCHOLARSHIPS

North Ridge Church | Marshfield

Throughout the year, North Ridge Church is able to send well over 100 kids to camps, conventions, and retreats. The support from this project will prevent cost from ever being an excuse to not encounter God, experience salvation, or receive a call to ministry.

MEGA SPORTS CAMP

North Ridge Church | Marshfield

This week-long outreach is an effective sports themed camp that will take over the Marshfield campus this summer! Funds for this project will provide all the needed supplies and equipment to engage kids with the story of Jesus in the summer sun. Our commitment of funds, prayer, and time will allow us to engage local kids and families in a step toward Christ-centered wholeness

XA UWEC TECHNOLOGY INVESTMENT

Stephen & Lexi Jellison | Eau Claire

After launching their campus ministry last year, our partners are finding their current technology is lacking for what their large group gatherings require. Having grown to reaching 20 students, this project will promise the best tools and programs to grow their services and reach so that students are undistracted while experiencing the people and story of Jesus.

XA UWSP HOUSE DOWNPAYMENT

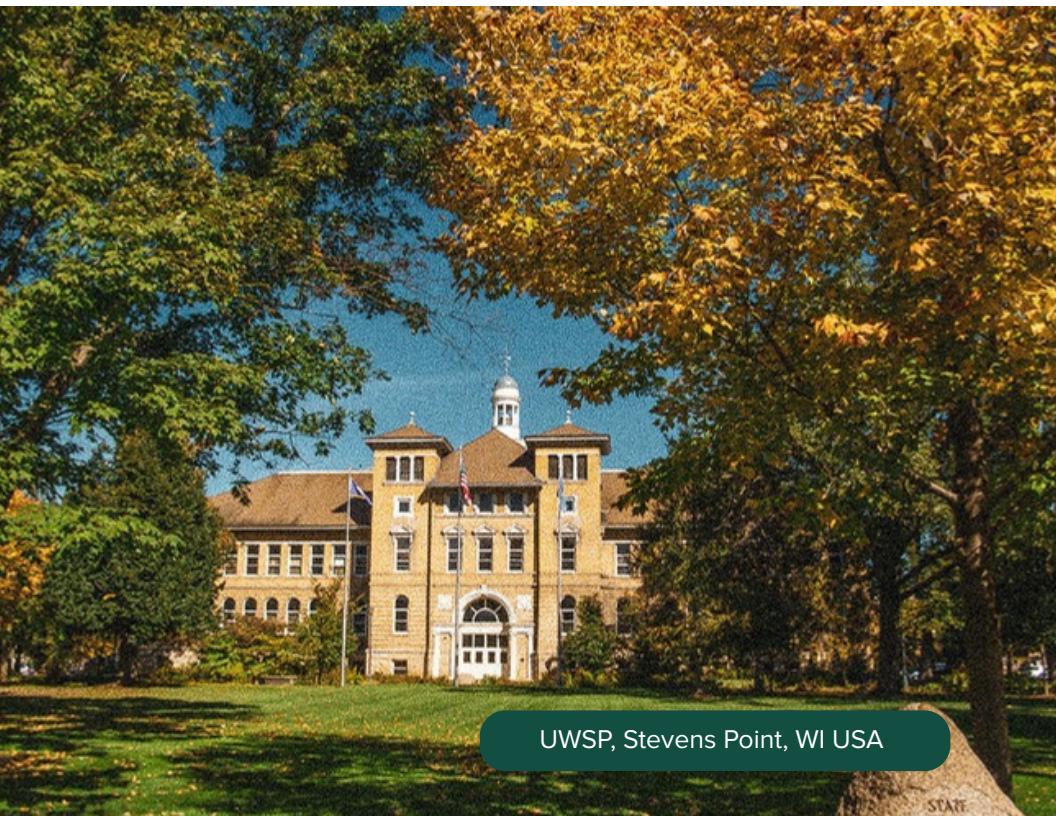

Nicole & Tom Barg | Stevens Point

Over the last two years, our partners have rented a property to reach their campus with the gospel and they've quickly outgrown the space as they've grown to reaching 120 every week. With dreams of becoming a training ground for future ministry leaders, they have a plan to purchase a duplex near campus to house interns, host weekly small groups, and function as a central office. Our dollars will help ensure that more students and future leaders will have a place to experience the grace and people of Jesus!

YOUTH FOR CHRIST: NEW PERSONNEL STIPEND

Liz Gosse | Wisconsin Rapids

Over the last two years this ministry has grown to reaching 30 students between two school districts. In order to reach and support the many at risk students across Wood County, another staff person will be needed. Underserved young people need an adult voice to encourage positive life choices while sharing the hope that we have in Jesus. Our support will allow a part-time specialist to break into this unique ministry and reach new schools in Central Wisconsin!

REACH TRIPS

A crucial and thrilling part of many REACH Projects is developing opportunities to meet our partners who dreamed them up and seeing all of it in action. Every year we send teams around the globe to work alongside our incredible global family in ways that help move their work forward.

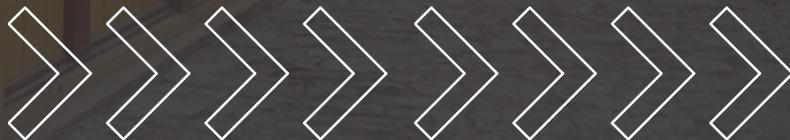

Does this excite you? Great! You can apply for a future REACH Trip!

First, apply for a REACH Team by going to nr.church/reach. If you've never gone on a REACH Trip before, our City on a Hill trip is your first trip!

Second, apply for a passport by going to passportstatus.state.gov as soon as possible!

You can't go global without one!

Read on to see what opportunities are available in the years ahead and how you might go as you continue to give and pray to see the story of Jesus move further, farther, and faster.

NR.CHURCH/REACH

WAUPACA: SPENCER LAKE

May 9, 2026 | TRIP COST: FREE

This is a one-day trip focused on labor projects to ready our campground for the 1,000+ campers who will encounter God, be baptized in the Holy Spirit, or find a call to ministry.

MILWAUKEE: CITY ON A HILL

June 9-14, 2026 | TRIP COST: \$450

Serving this city neighborhood is the best first step to grow a gospel heart for all people. This trip focuses on understanding generational poverty, removing racial residue, and loving families in Jesus' name. Attention: If you are a skilled medical professional, your experience can be used in a medical outreach.

NEPAL: ENVISION BUILDERS | ALL MEN TEAM

Late October, 2026 | APPROX. COST: \$3,150

Home to the Himalayas and 30.5 million people only 1.8% of its population have a knowledge of Jesus. With evangelism being illegal, our partners use civil engineering projects to create gospel opportunities on the rooftop of the world. This all men's team will travel across the globe to work hard, trek to unreached places, and oversee the construction of a greenhouse to provide fresh and affordable produce to locals. Local believers will staff the business so that the gospel can be heard often in a place it's never been!

THAILAND: SEALED KIDS CLUB

December 3 - 13, 2026 | APPROX. COST: \$3,200

Thailand is home to a vibrant and beautiful culture but a very small percentage of its people know Jesus. Our partners have gathered a wide variety of Thai people to experience the love and hope we have in Jesus. This team will have the opportunity to see many past REACH projects in action: prison outreach to boys, ministry to children of sex workers, and partnership with a growing church plant. This team will capitalize on the Thai fascination of Christmas to share the gospel with a wide range of people.

BURUNDI, AFRICA

Fall 2027 | TRIP COST: TBD

Burundi is the poorest country on the continent of Africa. The national church is growing but struggling to see its youngest generations feel the relational love of Jesus. Our partners are committed to showing the nation's many ethnic groups the joy and importance of spiritual parenthood by raising up sons and daughters through developing children's ministry. This team will partner with the Paulsens through reaching kids, families, and church leaders for the sake of all generations knowing the goodness of God!
