There's no greater joy than belonging to God's family—and we're excited to welcome you into it. We believe church is more than a service or building—it's a family, a community, and a place where everyone has a purpose.

Whether you're new to the faith or have walked with Jesus for years, there's a place here for you to grow, serve, and build lasting relationships. Inside this booklet, you'll find groups and ministries to help you connect and deepen your walk with God.

As you take your next step, remember this simple truth: God is your friend. He is with you, for you, and working in your life.

Pray through the pages and ask the Lord where He's leading you next. Our prayer is that each connection brings growth, encouragement, and belonging.

We're so glad you're here—and honored to walk this journey with you.

Welcome to the family of God!

# SUNDAY & WEDNESDAY

Where fun and faith collide! In a safe and engaging environment, kids learn about God's love, grow in faith, and build a strong foundation in Christ through exciting lessons and activities.

We're convinced kids church should be fun—because God is fun. The only Bible story of Jesus' childhood highlights his family's annual trip to a festival (party). This celebration was like a week long vacation at Disney. It was a place “where fun and faith meet”.

That's our kid's church! BLAST is a really fun place where kids can experience God, enjoy good friendships, and grow in faith.

Faith forms by hearing and doing God's Word. That's why we use a strategy called Listen—Learn—Live. Our approach gives kids the opportunity to hear Bible stories, learn the truths and principles, and understand how to live them out. That's why our name BLAST means more the fun. It's an acronym for “Bible Learning and Spiritual Training”.

We realize that God's way of making authentic disciples is family-focused. We use curriculum that equips parents with everything they need to reinforce what's being presented each week, along with other essential resources to accomplish their God-given task.

# BLAST PROGRAMS

## **BLAST Minis** | 2-3 yrs. (toddler)

We're here to come alongside parents to help introduce their child to God. With fun play in our safe, clean environment, hearing Bible stories and learning toddler truths about God is what our BLAST Minis program is all about.

## **BLAST Jr.** | 4-5 yrs. (preschooler)

Preschoolers are typically full of energy and questions. Our Blast Jr. program gives kids a balance of our BLAST church experience along with a small group environment that meets their need for activities and attention.

## **BLAST** | Gr.1-4 (elementary)

We love to engage kids' interests through fun. Spiritual truths and principles are learned by creatively sharing Bible stories in today's language and trends. Attending Blast will be their favorite hour of the week.

# BLAST PROGRAMS

## **BLAST XL** | Gr. 5-7 (preteen)

As kids develop into preteens, their needs change. We accommodate their need for strong relationships with their peers. Our emphasis on small group discussions provides a welcoming circle to share their challenges, with guidance that promotes acceptance and confidence to excel in their relationship with God.

## **BLAST CAST** | Gr. 5-12 (preteen/teen)

Blast programs are creative and performance-driven. Who better to act out in church than the teens! We call them our “cast” as it emphasizes the significant role they play. Teens who participate develop a sense of community, commitment, and confidence by using their talents to serve God.
