Weekly Newsletter – Week of February 2, 2026

## **Main Passage & Series Focus**

Ephesians 5

This Wednesday marks the first week of our new Dating & Relationships Series, which we will be walking through all month long using Ephesians 5 as our primary passage.

Throughout this series, we will be asking important questions such as:

- What is dating and relationships really about?
- What does the world teach about relationships?
- What does the Bible teach?
- How do wisdom, purity, love, and sacrifice shape God-honoring relationships?

Our goal is to help students think biblically, wisely, and honestly about relationships and to understand God's design clearly.

## **Parent Corner – Dating & Relationships Series**

### **(Ephesians 5)**

This month, we will be walking through Ephesians 5 as the foundation for our Dating & Relationships Series. This passage gives us a clear biblical framework for love, purity, sacrifice, wisdom, and Christ-centered relationships.

We want parents to be fully aware that this series will address real and challenging topics, including:

- Dating and boundaries
- Sexual purity
- Sex and pornography
- Cultural messages vs. biblical truth

Parents, please know:

- You are welcome to join us during this series
- If you ever have questions or concerns, please contact me
- We want you to feel informed, comfortable, and supported

Our students are being exposed to these topics every day—often earlier than we realize. We believe it is the family's role, with the help of the church, to shape how students understand these issues through the lens of Scripture, not culture.

Next week, we will also host a Youth Leader Panel Discussion, giving students a chance to hear wisdom and ask questions in a healthy, Christ-centered environment.

We would love to have parents present at any time during this series.

## **Closing**

Thank you for trusting us with your students and for partnering with us as we navigate important conversations with truth, grace, and wisdom.

If you have any questions, concerns, or would like to sit in during the series, please reach out anytime.

With appreciation,

Kraig Givens
