1-29-25

In attendance were Sarah Williams, Alan Leary, Jen Hill, Fletcher Poulk, Joe Kirk, Larry Hughes, Matt Richie, and Mary Day.

Sarah opened in prayer and Fletcher gave the devotion about making decisions based on who and what we know, not based on our feelings.

A motion was made, seconded, and all agreed to approve the minutes from last month.

We recited the mission statement.

Finance Report: Ended 2024 with abundance; line items now match; capital expenditures were high, operating fund in great shape; pledging remains to be heavy for operating; Mundine house is under contract (approx. \$210-220,000 profit).

Budget for 2025 was reviewed, a motion given and seconded, all agreed to approve.

TV Broadcast ministry was discontinued and has gone over just fine. Most people were already using a different streaming service.

Sunnie Gale Ballou starts with us next week as new organist.

We are missing a male voice in the Rise – this is an item on SPRC meeting next week. Phil is aware and fills in when he can.

Nominations were discussed for committees; holes still exist and we are working on that.

Trustees Report: Still working on parking lots (Bridges St has a prelim drawing, still working on Arendell lot); Storage downstairs is being cleaned out to make room for other storage; working on a solution/drawings to help with humidity / dripping issue; replacing the Fellowship foyer door next to elevator (just need to find a company to do it as it is a custom door).

SPRC: Still on a pastor search. The pool is small and we have high standards. 😊

Have discussed in interim pastor to help with a transition; voted to have Pastor Powell sit in on meetings for now; will send letter to congregation to update everyone.
