

Devoted to Serve with Delight

a message from
David H. Snyder · President
Baptist International Missions, Inc.

President's Perspective

January 2026

It is exciting to think about what God is going to do during 2026! Maybe this will be the year we get to experience the Rapture and begin eternity with the Lord. That thought motivates me to be more devoted to seeing God's will accomplished on this earth while I wait for His return.

The 2026 theme that I have chosen for BIMI is *Devoted to Serve with Delight*. There are several lessons the Lord has already taught me as I have meditated on this idea. For now, I will just mention that the need for us to be fully and completely devoted to serving God is greater now than it has ever been. Because of the world's condition, anything less than complete devotion to God will not produce eternal results. Also, it is only when we serve with delight that we can enjoy effectiveness and longevity in our service to God.

As we begin this new year, I want to take this opportunity to say **THANK You** for your faithful support during 2025. I rejoice in the souls that were saved and the lives that were changed during the past 12 months. There has been much fruit added to your account because of those who were saved through the ministries of the missionaries you supported. Thank you in advance for your continued support during this new year. I am looking forward to much more fruit that will abound to your account in 2026.

Thank you for everything you are doing in your part of God's harvest field and for the support you are giving to missionaries in other parts of His harvest field. I pray that God will give you an eternally profitable 2026. May the LORD richly bless you!

In Christ,
David H. Snyder
