

## COSTA RICAN 2025 REVIEW

Dear pastor and Church,

Every year we can feel the drawing closer of the promised coming of our wonderful Saviour. He encouraged us to not slack up just because we can see that our time for serving Him here on the earth is getting shorter rather, we must work even more intensely and intelligently. Alongside us are many, many others here in Costa Rica that are also awaiting our Lord's return and laboring in the field that is so needy of the news of His gracious love and gift of salvation.

Average Sunday A.M. Attendance 2025	Salvations 2025	Baptisms 2025	Preaching/Teaching Stations
4663	1742	654	254

The churches, the local headquarters of our labors, have the support of additional ministries which help re-enforce biblical knowledge, unite our Christian community, and challenge the practical application of our Christian professions.

Our Bible Baptist Seminary of Costa Rica had an enrollment for 2025 of 317 students with 25 graduates.

Our camp, offering conferences, retreats for marriages, women, men, and children of all ages hosted 11,065 during 2025.

Our Bible Correspondence Course has an active enrollment of 2655 .

Our Mission Office is the clearing House for 31 missionaries.

As we work from day to day meeting the demands of what seems like the endless lists of 'To Do's' sometimes it seems the task is overwhelming. However, when you stop and look back you realize the Lord has been at work, He has multiplied and poured out His blessings on our efforts and we praise Him for the eternal results over which we can rejoice.

Rejoice with us for you have been a vital part in what has been accomplished for the Lord last year in Costa Rica. We thank you. We thank you very much.
