in Grenada

4th Quarter 2025

Dear Pastor and Praying Friends,

A heartfelt thanks to all the Christmas greetings via email, WhatsApp, and cards. Thank you also for the generous monetary gifts. Your kindness and thoughtfulness are greatly appreciated.

In 2025 we experienced God's bountiful blessings here in Grenada. All praise and honour to the Almighty God we served, and we cannot thank Him enough for His goodness!

1. The ministry at the juvenile centre has been going well. There were several salvation decisions made throughout the year. On October 7th M.C. (17) was also added to the family of God.
2. There were several students from Lifeline Christian Academy who started attending the church's children ministry, and a couple of them trusted in Christ as their Saviour.
3. It blesses my heart to see Brielle Childers turn into a fine young lady and start serving God with her musical talent. I recalled when she was in grade 3. She was totally traumatized when she had to read a story and recited a poem in front of the school during the showcase. She was literally shaking and crying. Today Brielle is playing special music and offertory. Soon she will be able to accompany the congregational singing. She also serves God with her voice by singing in the children's choir. Lately Breille and I sang a duet, and it was her first time singing a solo part. She did a fantastic job. Praise the Lord! Please pray for the Lord to help Brielle use her God-given talent to bring honour and glory to His name.
4. While some children come on and off to our Sunday school, Wednesday class and Bible club, eleven of them have been attending faithfully. Three of the boys, Kye, Cleveland and Khadell, even expressed their interest in learning how to be a song leader. I have been teaching them some singing skills, and we are also learning new songs. Please remember them in your prayers that God will fire them up for serving.
5. The lunch time Bible club at the secondary school resumed in September. We used to meet in the hallway, but this year we moved into an air conditioned room, which has its pros and cons. The good side is that it is quieter and cooler. No need to run like before when the rain comes. The not so good side is that no one can see or hear us. Before we would get some new students when they heard us singing, but it hasn't happened since we meet in the classroom. Please pray for God to open a new way for the class to be known.

Prayer Requests:

- I injured my shoulders back in September while doing some painting. The right side is 90 percent recovered now, but the left side is still hurting. Please pray for God's healing hand.
- I need God's wisdom and strength to teach at the church children's classes, at the Christian school, and the other ministries outside the church.
- Souls to be saved
- God's provision for the new building project, the kitchen, the cafeteria and two more classrooms.

Once again, I thank you for your faithful prayer and financial support. You are greatly appreciated!

In His Service,
Coco in Grenada

Church Highlight:

The Christmas musical titled *While Shepherds Watched* was a great success. The children's choir did a fantastic job to deliver the message. Thank God for each of the children putting their time and effort into it. As a token of appreciation, we spent a fun day at the beach. We also enjoyed a lunch at the fast-food restaurant and ended the day with an ice-cream or donuts.

Sunday School Christmas Party

Christian School Highlight:

This year I decided to do some fun practical classes with my grade 1 students including cooking, baking, gardening, crafts and art to stimulate each student's potential. The students really enjoyed these classes.
