Your representatives in Mexico hope you had a very Merry Christmas and Happy New Year! Thank you for remembering us in prayer, financial support, and for taking time to update yourselves on our ministry and family. May the Lord bless you tremendously in 2026!

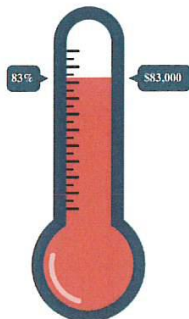

A sincere "THANK YOU" to each and every Pastor/Church/Family that received us and were such a blessing to us during our 6-week trip in the USA. We were able to present in 7 new churches and report in 8. Thankfully, we were also able to spend time with my dad for his 81st birthday. We thank the Lord for 3 new churches taking us on for support, so far, and prayerfully several more will also begin very soon.

In between meetings in November, we were rear-ended while waiting at a stoplight. Erika and Stefaney suffered minor injuries and the minivan was almost undrivable. Thank you to all those that prayed for us and gave special offerings to help with added expenses. We praise the Lord that the insurance company granted us a small payout for inconveniences. Please pray they will pay us to repair the damages on the minivan, soon. In the meantime, the Lord graciously provided for a substitute vehicle that we found in Mexico; with 100k miles and a very fair price.

We arrived safe and sound back in Mexico on December 5th. Our church was well taken care of by my friend and brother in Christ, Jorge Martinez. Praise the Lord! On December 14th, we celebrated Christmas and had an evangelistic outreach. A special thanks to Mrs. Judy Joines and WOSBC for providing 70 outstanding gifts for the kids, which we wrapped in backpacks and distributed to the children. Total, 13 adults were saved and many are still coming to church. Please pray for them to obey and grow in the Lord.

Please (!!) pray with us about our construction fund. We need to get started on the SS rooms and parsonage ASAP! We still need at least \$20k more for this stage. At the time of writing this letter, my boys and I are digging and preparing to pour the footers, and plan on pouring the floor by the end of this month. The floor by itself will consume all of our existing construction funds. To help, please pray! If the Lord leads you to give towards this vital need, please MEMO the check "Chris Lanier Construction Fund."

GOAL: \$100,000
