

Greetings in Christ

Jan. & Feb. 2026

Greetings in the name of our Lord Jesus Christ, I pray this letter finds you in the joy of the Lord. I'm writing from a very hot summer weather of about 95\* today. We have been super busy in the work even in the middle of summer. We continue to see many growing in grace as our Lord helps me preach and teach to the people of Chile. Summer is generally a slow time as many are taking vacations out of the city, it defiantly makes traffic much better in Santiago. We have begun taking enrolment for our Bible Institute classes for the new year of 2026. We will be beginning the first of May this year. Please pray for this in a big way, I believe we will have 15-20 students. It's very hard to get material I need, sometimes its not doctrinally sound or its too costly for shipping and printing. I write 75% of the material, so it is nice to use some good resources. Sometimes, I just buy the material in English and then translate everything into Spanish, it's a lot of work to do that believe me.

Last newsletter I announced the need to buy the home next door to the church; I so need this for the work. We need it for our Sunday School Department and our Bible Institute. It would also give us some extra parking that is seriously needed. I need \$250,000 as soon as I can get it! Good news is our wonderful Lord has given me the first \$1,000, so that's the start. I was speaking to a gentleman the other day from a church in the states about this need, he said, brother Mullins that's not too much money you should raise that easily. I went to bed that night thinking he has more faith than I do. But seriously please help me raise this money. If you would like more information or more photos just let me know. The photos below show our church property, and the two-story building is the property we need to buy. It would double the size of our property.

We were hit with the struggling dollar, it's all over, I guess. In Chile we have lost 20% of the dollars value and that makes us have. 20% less money every month. I'm so thankful to have my supporting churches holding the ropes for us so far from home. Thank you for your heart for missions.

Please mark any donations for the property as building fund or Land. I want to stress the importance of this project for our continued growth. Its all about souls being saved!
