

# DEAR CHURCH FAMILY,

By now, you should have received your year-end charitable giving statement. Know that this communication is simply a report and encouragement as we continue forward together!

We are now seven quarters into our two-year UNCHARTED journey—just one quarter remains. UNCHARTED will be completed on March 31, 2026, and we are profoundly grateful for how God has been using your generosity to move ministry forward in this season.

As we enter this final stretch, we want to encourage three groups in particular:

## **Those completing or exceeding a commitment**

If you have made an UNCHARTED commitment and are faithfully pursuing or even exceeding it, you are appreciated! Your continued generosity is leading the way and inspiring others. Stay the course, your faithfulness is making a real impact!

## **Those giving faithfully without a formal commitment**

Many of you have been giving consistently to Grace and to UNCHARTED without having made an official pledge. You are very much a part of this story! Please continue strong. Your steady faithfulness matters!

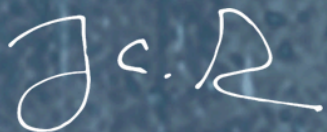

*Continued on next page*

## Those who are newer to Grace and newer to UNCHARTED

If you've joined Grace more recently, or are just now hearing more about UNCHARTED, there is still room for you to be part of this journey. You will not want to be on the sidelines when we celebrate what God has done. Every single gift given between now and March 31, 2026, is part of UNCHARTED. Jump in and participate with us! Thank you, Grace Covenant, for your partnership in sharing the Gospel. We are expectant and hopeful for all that God will continue to do as we finish UNCHARTED just before Easter!

With gratitude,

A handwritten signature in white ink, appearing to read 'Jc. R.', is positioned above the name 'Pastor Zach'.
