## Pastor's Pen

“Suddenly the whole crowd caught sight of Jesus. They ran to greet him, overcome with excitement.”  
Mark 9:15

Excitement. We are drawn to it. We are energized by it. We can be exhausted by it. So, it is at Trinity right now. This summer, we have had an amazing Kids Camp and Local Serve. We have torn apart a significant portion of our building in a much-needed renovation project. We have hired an assistant student director and are in the process of hiring staff for music leadership. We are heading toward a kick-off Sunday in a few weeks, on August 25. We have so much to be excited about!

In that excitement, let us not lose sight of what's truly important. In Mark, in the midst of an argument between disciples and legal experts, Jesus, Peter, James, and John approach and are immediately surrounded by the crowd who were excited by Jesus' arrival. We are great at debating and hashing out plans. Are we as great about being excited about Jesus?

In all things, if we keep our focus on Jesus, it will direct us and generate excitement. Jesus is the reason we do what we do. Jesus is the reason we are who we are. I believe Trinity reflects Jesus well, and we're getting better.

Be excited about who we are and what we are doing. But, be even more excited that we get to reflect Jesus to the world.

Yours in Christ,

## Kickoff Sunday August 25

On Sunday, August 25, Trinity will kickoff the new church year. That morning, we will have worship services at nine and eleven, and our discipleship hour at ten. Programs for children and youth will also be meeting. Once we complete our morning of worship, the entire congregation is invited to Westview on the James for lunch and an afternoon of fun. Lunch will start in the dining hall at 1:15 PM. We ask that you bring your signature desserts to share.

After lunch, with guidance from Westview staff, multiple activities will be available for all age groups including: climbing wall, water recreation, archery, trail hikes, assorted indoor and outdoor games. For those interested, tours of the Westview grounds and facilities will be provided.

We need your assistance in signing up for this event. This helps Westview staff in planning for our meal and securing staff to monitor recreational activities. Do not delay! Sign up: <https://tinyurl.com/ya6mje3x> through August 11.

To help offset the cost of this event, a love offering will be collected in the dining hall. Any questions, contact Judy Oguich, Bill Pike, or Jen Williams.

## Pub Theology: A Special Guest

On **Tuesday, August 13**, Pub Theology will be held at the WayGone Brewery on Patterson Avenue. ## Welcome Kenzel Pugh

On Sunday June 30, Trinity welcomed **Kenzel Pugh** as our new Assistant Director of Student Ministries. Kenzel is a husband, father, and a graduate of Virginia Union University, where he will be beginning his Masters in Divinity this fall as he works towards becoming a pastor and educator. He also has extensive experience in working in many different church traditions, and will bring a fresh and invigorating perspective to our work at Trinity.

Kenzel felt the call to serve at a young age while growing up in the Raleigh, NC area. He comes from a family of pastors and faithful followers of Christ. While his faith journey is still flourishing he has followed pursuits as a motivational speaker and author. He enjoys reading, working out, and teaching the Word of God.

*Daniel has performed tremendously to guide the student ministry over the past year, focusing its mission while keeping students engaged and grounded in Wesleyan theology. In this next chapter Daniel will continue his role as leader of student ministry but now with the assistance of Kenzel. This combination will keep our student ministry strong, serving the youth as they build their relationships with God and with each other.*

## From the Trinity UWF President

Dear Trinity Sisters,

Hot times!

While sitting in air-conditioned comfort, I'm writing this, excited about what's to come this fall.

Our first meeting on September 12 will be a covered dish dinner at 6pm with a program by our own Bob Argabright. Come and see what's going on at Bellemeade Park and beyond. Please bring your men. It was great having them join us in May. As with all our programs, everyone is welcome!

Rosemary McCullough and Bonnie Andrews are planning a great Harvest Day Celebration for us. It will be different this year. We are trying a new idea - a brunch reception in the Welcome Center at 9:30 to be followed by a music-filled service at 10:15. The theme for Harvest Day is 'Music in Our Faith.'

Blessings to all,  
Jo

## Judy and Lin Niedermayer

On Tuesday, June 25, the home of Judy and Lin Niedermayer in Goochland burned down. Judy was Trinity's Financial Secretary for 30 years (she retired in 2016), and her husband Lin reupholstered several pieces of furniture for Trinity. Thankfully, they were not harmed. They are currently in a fully furnished rental house (in Goochland). The process of rebuilding their home has begun. They, of course, lost all their material possessions and keepsakes. After their house has been rebuilt, they will need to purchase everything. At this point, they mainly need to purchase things like clothes and other everyday items.

Lin Niedermayer's co-workers have set up a GoFundMe page – <https://tinyurl.com/3vm6ja8c> (the spelling of their last name is not correct in the heading, but this is the correct page).

If you would like to make a donation to Judy and Lin, please feel free to do so through this GoFundMe page. If you want to send them something directly, you can mail it to them at their address, which is correct in the Trinity directories dated 2016. The Goochland Post Office is holding their mail and they are picking it up daily.

Judy and Lin are touched by all the prayers, thoughts, contacts, and messages!

## Tables of Eight

Close to 40 individuals participated in "Tables of Eight" in 2022/2023, forming five groups that each met every 4 to 6 weeks for dinner

and fellowship. Persons who participated thoroughly enjoyed their time together, making new friends and connecting deeper with established friends. There is no agenda for the gatherings – only to have dinner together and getting to know each other better.

We are looking to organize new groups this fall, running October through May (or longer if the group chooses to). Please email Judy Oguich, [joguich@trinityumc.net](mailto:joguich@trinityumc.net), with "Tables of Eight" in the subject line to register. We will have an organizing meeting in early October.

## Join the Greeter Team!

Trinity is building a greeter team! As a church, a core part of our mission is to welcome guests, and Trinity's greeting ministry is an essential part of how we accomplish this mission. As we start to build greeter teams, please go to <https://tinyurl.com/7tax3f3e> and indicate your interest and availability for being a greeter!

## Trashing Our Father's World

Americans throw out 4.9 pounds of solid waste per person per day. The Richmond area alone generates around 500,000 tons of landfilled waste annually.

The Northeast is in a crisis: permitted landfill space is limited. New York exports much of its trash to other states. Virginia imports around a quarter of the total waste tonnage from New York. In 2022 Virginia managed about 22.5 million tons of solid waste; 5.5 million tons came from outside the state.

**Why is this a problem?** Trash in landfills exacerbates climate change through greenhouse gas emissions, air pollution, and water contamination.

Many countries in Europe incinerate their garbage to make electricity. Overseas companies use heated and pressurized waste to turn trash into usable products, such as synthetic crude oil for fuel.

Virginia and the USA need to work on ways to reduce the amount of garbage going into landfills.

### How can you reduce your trash?

**Food:** Food is the single largest category of materials put in municipal landfills. In the US over 30% of food goes to waste annually - half of that from households. Don't buy more than your family can use before it goes bad! Buy more frozen vegetables; check which items are safe to eat beyond their 'best buy' date.

**Clothes:** Approximately 85% of garments end up in landfills. Don't throw away old clothes! Donate your castoffs to charities or thrift shops instead.

**Plastics:** 79% of all plastic that's ever been made sits in landfills or the natural environment. Minimize the plastic your family uses, especially single-use items such as plastic bags, utensils when you get takeout, and water bottles.

## Construction Update

Despite the mean summer heat and humidity, our construction crews have been working hard each day. All demolition has been completed. HVAC installation continues. New windows are being installed, and prep work for plumbing and electrical improvements continue. Some of the crews have shifted to a ten-hour work day with Saturdays being crunched into the scope of work too. As always, we thank you for your continuing support of this project.

## Joys and Concerns

### Our sympathies to...

Nancy Berryman whose mother Jean Seal died July 25

The family of John Garner, Jr. who died July 20

Peggy and Vernon Roberts whose daughter Stephanie

Larry died July 19

The family of Terri Reed who died July 11

Ann Collier whose brother-in-law Alexander McDowell died July 6

## Recognition of Active Military

In the July issue of the Trinity Window, we listed the names of four young men who are currently on active duty in the United States military. When a list is put together, there is always a chance that the name of a person who is serving will be missed. To Clayton Leep, who is currently on active duty with the United States Marine Corps, and his family, I offer an apology. In moving forward, if any Trinity member has a son or daughter who is currently on active duty, please forward their name and branch of service to Bill Pike. Having this information will help with two items: making sure to keep this person in our prayers, and having their name for the annual Veterans Pancake Breakfast.

## Miller Jenkins Update

Since our 19-year-old grandson's car accident and spinal cord injury last October, we have received so many prayers and inquiries about how Miller is doing. He now has physical therapy 5 days a week at two rehab facilities in Raleigh. He is making slow, but steady progress toward hopefully regaining his ability to walk. Miller, his mother (Whitney) and sister (Abigail), Judy and I thank you for all the prayers, cards/notes of encouragement, and gifts from so many at Trinity. Please keep praying for Miller and God's continuing love and compassion as he works very hard on his journey to recovery.

With Love in Christ,  
*Judy and Steve Werner*
