Pastor's Pen

98 Sing to the Lord a new song
because he has done wonderful things!
His own strong hand and his own holy arm
have won the victory!
2 The Lord has made his salvation widely known;
he has revealed his righteousness
in the eyes of all the nations.
3 God has remembered his loyal love
and faithfulness to the house of Israel;
every corner of the earth has seen our God's salvation.

Psalm 98:1-3 (CEB)

A new year is here again. And what a year last year was! I thank every one of our people at Trinity for the incredible things that happened. We renovated a large portion of our building, we branched out in mission in new ways, we filled staff vacancies, we saw a surge in kids and student ministries, and that's just the easy ones. I often say that Trinity's best asset is its people – you. I mean that, with my full being. Nothing we do happens without Trinity people.

This year, we have just as much to look forward to. Let us continue to be who God calls us to be in this place and this time. Keep your eyes open to new opportunities to be Christ for our community. Keep your enthusiasm up for what we are doing, together. We have so much to be thankful for, proclaim, and invite others to. I am thankful every day that I am here at Trinity, and I am so excited about us continuing to grow and lead in the time we have together.

I've been working behind the scenes to look at and improve our operational processes. My goal is to reduce staff busywork so they can be freed up to better support you and also live more fully into their own gifts and skills. As part of that, we are shifting our financial giving platform, and as of January 1, we are phasing out previous online and electronic giving methods. Don't worry, we will always accept checks and cash. However, the more people use our new system, the lower the fees associated with that system become. If you have not already moved your giving to the new platform, please contact the office for assistance (but it's really easy on the website or through the new app).

Yours in Christ,

Did you know?

The pastors are here to assist with your special moments in life. We can help plan funerals, weddings, and other such big events. We can arrange invitations to those outside the church who you would like to be part of your day. To help in planning, we do have policies and checklists that are available in the office or online at trinityumc.net/forms. This is also where you can find other forms to reserve space in the building, for example.

Winter Weather Decisions

Decisions for closing our building related to winter weather are tricky. Basically, we follow the closing announcements from Henrico County Public Schools. For example, if schools close early or are on a delayed opening, Trinity's opening and closing times are adjusted. If Henrico schools are closed, Trinity will be closed, and this would include all day and evening events. Our ability to re-open the building after a winter weather event depends upon how quickly we can clear our sidewalks and parking lots. If we can safely get people on to our grounds and into our building, then Trinity might return to normal operations quicker than the school system. Decisions related to closing the building on Saturdays and Sundays will be made based upon weather conditions at that time. Questions contact Bill Pike

Samaritan Award Recognition Trinity UMC Three Notch'd District

Pinnacle Living is celebrating seventy-five years as a Virginia Conference-related ministry with older adults. The Samaritan Program provides financial support to residents of Pinnacle Living communities who have been blessed by longevity and, through no fault of their own, become unable to meet the full cost of services.

A “Good Samaritan” has come to mean any person who helps another without thought or reward. There are other ways of being a Good Samaritan – one who is generous and compassionate in helping others: offering assistance and being a supporter, an advocate, and a protector are just a few descriptions that come to mind. **Trinity UMC** is truly a “Good Samaritan” when it comes to supporting the benevolent care mission of Pinnacle Living. Because of the congregation’s exemplary financial stewardship and support, **Trinity UMC** is being recognized as a 2024 Pinnacle Living Samaritan Award congregation. This recognition offers appreciation to the top ten Virginia Annual Conference congregations in giving to the Samaritan Program.

Thank you for your generous support of the special Samaritan Offering from Mother’s Day to Father’s Day and for gifts throughout the year to the Samaritan Program. Without the support of local congregations, the Pinnacle Living mission of “Enriching Life’s Journey” could not be fulfilled.

UM Day at General Assembly

The United Methodist Day at the General Assembly will be held on January 30, 2025. We will have arranged visits with our Senators to discuss issues that are relevant to our faith with direction from our friends and partners at Virginia Interfaith Center for Public Policy (VICPP). You also have the opportunity to speak to your Delegates if you plan the visit and we can help you schedule that if needed. One of the ways we put our faith in action is by advocating for the least, the last, and the lost at the General Assembly. We hope that you will come and join us in Richmond as we continue our legacy as change makers here in our Commonwealth. LOCATION: Pace Center, 700 Franklin Street, Richmond TIME: 7:30am - 3:00pm COST: Early registration \$25 through December 20. Regular registration \$35 through January 17. Student registration \$10. Includes light breakfast, lunch and transportation to and from the General Assembly building. [Click here to register online](#). For more information, contact Heather Wray, heatherwray@vaumc.org

Advent/Christmas Offering

Our Trinity Christmas offering this year goes to United Methodist Family Services. We have a long history of being one of UMFS's greatest church financial supporters.

Unwavering champions for children and families. United Methodist Family Services is an unwavering champion for high-risk children and families. They are located in Virginia. UMFS serves children in foster care and children struggling with mental health and behavioral challenges. They provide foster care and adoption programs, specialized education schools, and mental health programs.

Your support of the UMFS offering will help children in foster care like Damonte. Damonte's mother was not able to care for him after his father died. At UMFS, Damonte was matched with a loving foster mother who helped nurture his kind-hearted spirit. He was able to learn the skills he'll need to become a productive adult. Damonte recently celebrated his high school graduation and is looking forward to the next step in his journey.

Your support of UMFS will also help children struggling with mental health challenges like Mackenzie. Mackenzie experienced severe trauma as a young child. Her behavioral and mental health challenges continued to escalate. When she was 13, Mackenzie came to UMFS and began a healing journey that would change her life. Today she has a stable home and a job she enjoys. Mackenzie shared that "I never would have thought I'd be where I am today."

Your offering gift will also support students who need specialized education like Sophia. Sophia struggled with developmental challenges. She was easily distracted and overstimulated in a traditional classroom. That led to increasing behavioral challenges. The small class sizes and trauma-informed, therapeutic support at UMFS helped Sophia thrive. As her parents shared, "Sophia's growth has been tremendous."

Your gift to UMFS will help children and families in crisis, providing them with much-needed resources and tools for success. Together we can help create a brighter future for high-risk children across Virginia.

Trinity Foundation Matching Advent/Christmas Offering Again

As the year draws to a close, the Trinity Foundation is thankful for our congregation and the many ways we serve the community. One important opportunity to do this is through the church's annual Advent/Christmas offering, which will once again support United Methodist Family Services. The congregation has responded very well over the past few years, and the Trinity Foundation will again match all gifts by the congregation up to \$7,500. This is just one example of how we can come together to do God's work.

The Trinity Foundation was started in 1971 and supports items outside of the church's budget, including mission projects, church initiatives, scholarships, and programs such as the Dillard Forum. Please keep the Trinity Foundation in mind if you are considering year-end giving from an IRA account or Planned Giving and contact the church office to learn more.

What's Happening in Trinity KIDS Ministry?

Kids Discipleship during the 10am hour occurs in these locations:

Nursery: Birth – 3 year olds
 Room 208: Preschoolers (3-5 year olds)
 Room 302: Elementary schoolers

Here's what we're learning this month!

People love camping, and for good reason! You can take in nature, practice special skills, or just take time to relax in a new environment. And when it comes to camping, no one loved it as much as John the Baptist. In this 4-week series, kids will hear about John the Baptist's special role in preparing the way for Jesus and his ministry. John's story will help kids to say their camp motto, "I believe God gives me purpose. I believe God can speak to me. I believe God is powerful. I believe God's words are true."

Do you have an artificial Christmas tree that we could borrow for Kids Camp 2025? Our theme is the Alaska wilderness and we will need some trees to use to decorate our church spaces!

If you can loan us your tree, pack it up so that you can quickly grab it in July! We will tag your tree with your name on it and will get it back to you after Kids Camp!

Thanks for your support!!

Join us at the 4pm Christmas Eve service for our Instant Kids Christmas Pageant! We will have costumes ready for your kids! Show up a little before 4pm and your kids can dress up as an angel, shepherd, or an animal! Kids remain seated with their parents until their character is called forward to join the pageant scene.

Trinity Kids had an awesome time at our Christmas Escape Room! Here are a few pictures of our fun! Thanks to our volunteers for helping to make this a special morning of hearing the Christmas story!

Tips for a Green New Year

This year resolve to make a few simple lifestyle changes that could have a big impact on the earth. Start with staying eco-friendly after the holidays by reducing the amount of waste you produce:

- **Reorganize and recycle wrapping** – use the paper again for wrapping, use it as material for something else or compost it.
- **Use up your leftovers** – food waste increases 25% between Thanksgiving and New Year's, resulting in about 1 million extra tons of waste each week
- **Dispose of items properly** – rinse recyclable items and put them in the recycling bin; put biodegradable items in the compost; remove anything that can be salvaged.

Resolve in 2025 to

- **Ditch the plastic** – carry and use reusable bags
- **Clean with green** – use non-toxic and natural products; most things can be cleaned with white vinegar, baking soda and lemon
- **Tuck in your computer at night** – turn off screen saver and put it in sleep mode when not in use
- **Be good to your vehicle and it will be good to you** – keep tires properly inflated; tune-up the engine regularly; replace the air filter – all of these can boost your miles per gallon
- **Think globally, buy locally** – food that hasn't traveled thousands of miles to your plate is fresher and buying local cuts down on pollution
- **Don't be a drip** – fix leaky faucets; a faucet that drips once each second can waste 8 gallons of water a day, more than 3,000 gallons per year

Thank you from the Staff

The Trinity Staff gratefully appreciate the cards, snacks, goodies and other gifts shared with us during Advent and the Christmas season! We are blessed to be working together with such a loving and caring congregation! Have a blessed and joyous New Year!

Lighting Help

A gentle reminder to our congregation and staff, please remember to turn off the lights if you are the last one to leave a classroom, hallway, or corridor.
