## Pastor's Pen

*A season for everything*

- 3 There's a season for everything  
and a time for every matter under the heavens:
- 2 a time for giving birth and a time for dying,  
a time for planting and a time for uprooting what was planted,
- 3 a time for killing and a time for healing,  
a time for tearing down and a time for building up,
- 4 a time for crying and a time for laughing,  
a time for mourning and a time for dancing,
- 5 a time for throwing stones and a time for gathering stones,  
a time for embracing and a time for avoiding embraces,
- 6 a time for searching and a time for losing,  
a time for keeping and a time for throwing away,
- 7 a time for tearing and a time for repairing,  
a time for keeping silent and a time for speaking,
- 8 a time for loving and a time for hating,  
a time for war and a time for peace.

The world seems to work on its own schedule. Most of the time, we would like the universe to follow *our* schedule. It does not always. In fact, sometimes I wonder if it rarely does. If there's one thing I have learned over and over again, sometimes painfully, is that all things are in God's time. Things we think are easy take longer than we think they should. Things we stress about in their complexity just seem to work out. Or maybe, nothing does, yet.

As we go through yet another season of unknowns this summer at Trinity, I think it would be helpful for us to keep this in mind. This summer may or may not unfold the way we want it to. In my experience, even when our lives go very differently than we have planned, God's plan is often better. More than once, a delay meant something better. More than once things worked out unexpectedly to free up alternative possibilities. God does that, and it is always surprising and amazing.

Let's look for God's work, while we do ours to the best of our ability. Trust that, in God's time, we will be who we need to be, when we need to be.

For everything, there is a season. We just don't always get to know when those are. The good news is that you don't have to because God does.

Yours in Christ,

*Pastor Bina*

## Renovation Project Update

Demolition, electrical, and HVAC technicians have been working hard since April on their responsible areas. With the demo, peeling the layers of this building back to the original framing has been insightful and challenging. Electrical and HVAC disconnects and upgrades are going well.

If all goes well with the opening of two sections of roofing on June 24, a crane will be on our grounds on July 1 to lift HVAC components for installation. Opening the roof and the crane lift are contingent upon favorable weather conditions.

And related to the personal safety for our congregation, staff, and on-site technicians, we need your help. The two side doors used as entry/exit points on the Pre-school side of the building are only available for construction workers Monday- Friday. Additionally, those doors will not be available for congregational use on Sunday mornings either. Temporary lighting and hazardous footing make these doors/hallways non-accessible during the remainder of the project.

Parking in the lot adjacent to the Preschool wing is only available for construction workers Monday-Friday. If you need access to the church during the week, the best place to park is in the lot directly behind the playground. Your point of entry to the building will be the church office door. Thanks, the Trustees

## New System

We are excited that Trinity is transitioning several of our data management and communication systems over to a new platform. We have contracted with a company named Subsplash to provide these services. This system allows us to integrate all of our various databases and communication lists to a single platform. What Subsplash gives us is a new website, new video management system, new giving system, member chat tools, a Trinity phone/tablet app, and more. If you receive an email from Trinity and Subsplash about creating an account, it is to allow you full access to the systems including messaging and giving. We will be transitioning all online and automatic giving to this system over time. Please be patient with us as we transition. We are excited about the features and capability of this new system, including a reduced cost

## Oak Grove-Bellemeade Elementary School Apple Angel Tree

The Apple Angel Tree tradition continues for the 2024-25 school year! One big change this year is the timing of the need for supplies. The Richmond School Board approved an extended school year for Oak Grove-Bellemeade beginning with the 2024-25 school year. Oak Grove will add an additional 20 school days increasing its school year to 200 days. School will begin for Oak Grove students on July 22! Thus, we will be moving up the dates for collecting and delivering supplies.

### What is the Apple Angel Tree?

Trinity has partnered with Oak Grove-Bellemeade Elementary School for 20+ years. During the Spring, the lead teachers for grades K-5 provide us with a list of items the teachers would like to receive for their classrooms. We turn these lists into “apples” that can be “picked” for the upcoming school year.

Apples will be “ripe for picking” on **Sunday, June 30**. We hope to make the first delivery of supplies to Oak Grove the week of July 22 and complete our collection by Sunday, August 18.

As we have done the past several years, we will have a number of ways for all Trinity families to participate.

### In-Person Apples

If you worship in person at Trinity or are able to come to Trinity, we invite you to choose an apple from the display boards in the Welcome Center at the church. There will also be a display board in Trinity Hall for those delivering food on Fridays.

### Amazon Wish List

There will be an Amazon wish list available by July 1. This list will have items that are available in larger quantities or that are less expensive through Amazon. The items selected from the list can be delivered directly to Trinity.

### Financial Donations

If you prefer to make a financial donation to the Apple Angel Tree, you can do this via check (memo “Oak Grove Apple Tree”) or via ACS (choose “Back to School Supplies”).

### Delivering the Supplies

If bringing the items to Trinity, please double bag them in paper bags with handles. Attach your apple or a list of items and grade level to the outside of the bag. Deliver to the rear of Trinity Hall by Sunday, July 21, or no later than Sunday, August 18. If having the items shipped, have them delivered to Trinity UMC and marked “Oak Grove Supplies.” Items should be delivered by Friday, July 19, or no later than Friday, August 16.

Thank you for your continued support of this project! Questions? Contact Karen Adams at 804-382-6477 or at [kmadams1711@icloud.com](mailto:kmadams1711@icloud.com)

## New Shoes for Back to School

The New Shoes for Back to School ministry will return to an in-person event this year for the first time since 2019. The date is Labor Day (September 2) from 8 AM-2 PM and the location is Third Street Bethel AME at 614 N. Third Street, Richmond, VA 23219.

The ministry provides new shoes to school children (K-12) in need. The shoes are donated by the Richmond Partnership of Congregations, which is made up of nine churches (including Trinity) and one synagogue.

Each congregation has been asked to donate 200 pairs of shoes. You can help by purchasing and bringing shoes to Trinity, or through financial contributions. (New Shoes for Back to School is included in the drop-down menu on the “Give” page on Trinity’s website at [trinityumc.net](http://trinityumc.net).)

Volunteers are also needed on the day of the event. The day will be broken into two shifts: 8-11 AM and 11 AM-2 PM. Masks will be required. A large fellowship hall will be set up with tables according to gender and size. Some volunteers will help at the tables; others will accompany the families as they make their way around the hall. Contact Beth Monroe [bethmonr@gmail.com](mailto:bethmonr@gmail.com) or (804) 339-0664 to learn more.

## Old Cell Phones Needed

Please donate your old cell phones (with chargers, without service contracts, and with personal information removed) to be given to survivors of abuse to call 911. Bring them to Missions Central, the room down the hall from the church office toward the sanctuary. Leave them in the designated receptacle there. This is a great way to recycle. Your donation might save someone’s life.

## Before Recycling: The Other R's Part Two

Recycling is only one tool in our arsenal for caring for God's creation. In addition to the R's discussed in last month's Window – **Reuse, Reduce, Refuse, Repair** – try adding these R's to your routine.

**RESTORE!** In your daily life, look for ways to help the environment. When you walk the dog, pick up trash and safely dispose of it. Plan a family event or join a group to pick up litter on a beach or river. Join a group that organizes local clean-ups. Keep a small reuseable container in your car for trash. Encourage children to clean up the yard. Help God's earth stay cleaner.

**RETHINK!** The earth is telling us we need to support a more sustainable way of living. We once believed that the earth's benefits were endless. We now know that so many of the earth's treasures are becoming more and more limited. Try to buy more things from local sources. Try growing a few herbs or vegetables in your yard; be sure to let the children become farmers in this effort. Think of new ways to make your carbon footprint smaller.

**RECOMMIT!** Encourage your whole family to promote creation justice and help God's earth.

**REMEMBER!** Remember who you are and Whose you are. You are a beloved child of God. The very first commandment God gave humanity was to care for creation. Remember that you are a caretaker of God's earth. Let that sacred charge be your guide.

These tips are provided by the United Methodist Creation Justice Movement as a tool to equip church members, families, and friends to respond to God's call to care for creation and do justice with our neighbors.

For more about the UM Creation Justice Movement, go to [umcreationjustice.org](http://umcreationjustice.org).

## Trinity Foundation in Action

The Trinity Foundation continues to support many initiatives in the church and the community. This past Christmas, the Foundation added \$7,500 to the Advent Offering funds supporting the good work of United Methodist Family Services. This resulted in a total donation of \$23,747. Recent funding and grants for other initiatives have included scholarships, support for Westview on the James and Friends of Bellemeade Park, as well as needs outside of the church's operating budget.

## Sunday Flower Tribute

Would you like to have a flower tribute printed in the bulletin? Throughout most of the year (with the exception of Lent/Easter and Advent/Christmas) we invite you to have a flower tribute on a date that is special to you, either in honor of someone (or a special occasion) or in loving memory of someone. The pink "Flower Tribute" forms are located in the Welcome Center, and the cost for a tribute is \$70.00.

Contact Paula Cadden ([pcadden@trinityumc.net](mailto:pcadden@trinityumc.net) or 804-288-6056 ext. 201) with any questions you might have.

## Active Military Duty

We ask that you keep the following young men and their families in your daily thoughts and prayers: Charles Given,

Matthew King, Jack McSorley, and Zach Smith. These Trinity members are currently on active military duty for our country.
