

SESSION 2 SAVE THE BOYS

DISCUSSION QUESTIONS:

1. What struck you as most meaningful in this video?
2. As a boy, what kind of relationship did you have with your dad?
3. What did he teach you about manhood?
4. What is your greatest challenge in “being there” for your sons?
5. How can you increase your opportunities to be there for your boys?
6. What qualities define a strong Christian man?
7. Every man loses balance in his fathering. In the balance between tenderness and toughness, where do you need to grow right now?

TAKE IT HOME:

- What is ONE THING I can work on this week to be a better father? (The age of your children doesn't matter—it's never too late or early).
 - *If not a father, how can this be applied to preparing or encouraging men, fathers that are in your life. A good man can bring great encouragement to the men around him.*
