## BIBLICAL PRINCIPAL #1 **WORSHIP**

Life can be challenging, but God is always good! And how good it is to connect with other believers!

Why is it important to spend time with God and be in His Word with other believers?

- a. We get to spend time with our Savior!
- b. It shows our choice to make God a priority in our lives.
- c. He gives us direction for our lives.
- d. We can share our experiences and testimonies with other believers.
- e. We can pray for each other.
- d. Spending time with a forgiving God will help us to be more forgiving.
- f. He will give us His peace.

The list could go on and on. Plan on having a good time of fellowship with your group and with God! Be eager to hear what God has to say to you. And be willing to obey His will.

### **PRACTICAL WORSHIP RESOURCES IN YOUR SMALL GROUP**

We could include things like:

- a. Testimony time: sharing answered prayers and seeing God's faithfulness.
- b. Music: listen to a song together and reflect on the lyrics.
- c. Worship Songs: suggest 2-3 songs (with the lyrics or YouTube site) that align with the upcoming Sunday services/corporate worship and/or the Small Group study topic.
- d. Scripture Readings: include 1-2 Psalms passages focused on praise.

## **WEEKLY REFLECTION BEYOND SUNDAY'S**

Worship is a lifestyle of daily devotion, but when we gather in Small Groups or Corporate worship, it's an opportunity to lift our voices together. Encourage your members to come prepared to engage, not just spectate. Remind them that God desires our hearts and our sincere praise, regardless of musical talent or emotional energy.

### **GROUP DISCUSSION QUESTIONS:**

1. How has your perspective on worship changed recently?
2. What does it mean to you to worship with your "whole heart, mind, and soul"?
3. How can we, as a small group, support each other in living a life of worship outside of our regular meetings?
