2023 OSF Giving Campaign and Charity Offering

The Board of Directors of OHSOFREE MINISTRIES, INC is excited to present our first **OSF Giving Campaign and Charity Offering**. This event will be a fantastic time for our entire OSF community as we rally together to support our OSF Ministry. This will also be the first opportunity to give to women through our mission offshoot, **CEASE THE HURT.**

The **OSF Giving Campaign and Charity Offering** provides the income to maintain the yearly budget of OHSOFREE MINISTRIES, INC. As part of our fundraising efforts, we will take this opportunity to raise funds to help another women's charity by giving 10% of the raised funds to the charity our OSF Members choose.

OSF is grateful for the support from YOU, our members. Your giving allows us to provide an online community for women worldwide who long to create authentic relationships that promote trust, healing, purpose, and vision through intimacy with Jesus Christ. We share our life-changing stories through the power of God's Spirit so all people know the TRUTH of the gospel and experience a loving Lord and Savior. Through Bible studies and daily encouraging content written by our OSF Staff, our weekly online groups encourage lifelong relationships and lift each other in prayer.

We designed the Charity Offering so OSF members can submit the women's charity of their choice to receive 10% of the overall gifts donated during the giving period. You can submit a charity by following the SUBMISSION GUIDELINES. The charities that meet the submission rules will be presented to the OSF Board of Directors, and we will choose three to present to the OSF members through our OSF FB Page in March 2023!

OSF members will vote for their favorite charity after viewing videos on the OSF Facebook Group page. When all votes are calculated, the winning charity receives 10% of the donations from the giving campaign.

If you have a women's charity to submit to the **2023 OSF Giving and Charity Offering Campaign**, read the SUBMISSION GUIDELINES and fill out the SUBMISSION FORM.
