

“I TRUST”

BY: JACINTA “JACY” DORSEY

**It's amazing to witness God's promises
come to light**

**With the mind of a child atop the world
and Christ Like**

**Not a moment goes by that His peace
isn't the biggest flex**

**Trusting Him without fear is a
supernatural epithet**

“I TRUST”

**Learning to trust is a daily task that I’m
eager to do**

**Like a child in a room of choices God is
the One I draw to**

**There is no fear in this love and His love
supersedes all**

**Don’t be afraid to share trustworthy
love, walk in purpose, answer the call**

“I TRUST”

**Find community and communion in
those who also answer the call.**

1 Thessalonians 5:17 Pray continuously

Through and through

**Walking with God is a blessing that
everyone can do**

Lord, I make this declaration

“I Trust You!”
