Be Confident by Warren W. Wiersbe

Finally, there is *the reward of faith* (Heb. 11:26b-29). God always rewards true faith—if not immediately, at least ultimately. Over against “the treasures in Egypt” Moses saw the “recompense of the reward.” As Dr. Vance Havner said, “Moses chose the imperishable, saw the invisible, and did the impossible.” Moses’ faith enabled him to face Pharaoh unafraid, and to trust God to deal with the enemy. The endurance of Moses was not a natural gift, for by nature Moses was hesitant and retiring. This endurance and courage came as the reward of his faith.

If you and I had been writing this chapter, the next section would be *faith wandering*—but there is no mention of Israel’s failure and forty years of wasted time. Why? Because that was an experience of *unbelief*, not faith! The writer did use this experience in Hebrews 3 and 4 as an illustration of doubting the Word. But nowhere in Hebrews 11 will you find a record of *any* failure because of unbelief. Faith records only the victories.

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.

What's Next For Outreach?

You will soon have the opportunity to become a neighborhood participant in reaching out to your own neighbors in a very exciting way. The Mapping Center for Evangelism is a program we used at LCBC in the past. This program is much more powerful, convenient, and integrated than it could have been 20+ years ago when we first tried it.

On the first Sunday of February, we will show a demo for this program and give you a chance to get started right away. The program will include a new "move-in" feature that will help us with our Monday night visitation.

Until that day, we will continue to meet on Monday evenings at 6:30pm. We can always use your help as teams still go out into the community to visit those who visit LCBC. We appreciate those who come to pray and welcome those who would like to make phone calls or write cards to express concern for those who we have not seen in a while. We are in new territory with our transition as Elaine stepped down as Outreach Director due to health issues.

Pray that the Lord will raise up a new person to use their spiritual giftedness in this process. Elaine is still involved with outreach during the day with a group of ladies that are working specifically with her. Thanks Elaine, you are inspirational!
