

# What light?

When we think of the light that G-D gives to us, we recognize that Yeshua is the light of the whole world. We remember that Ruach HaKodesh inside us illuminates our path. All of these things make us want to sing for joy! This is an old song but we can carry it along with us to remind us of the joy that Yeshua has brought into this world. Remind us to never hide the light that HE gives under a basket, but to let it shine forth to illuminate our path, inform others about our G-D, and be a light in the darkness.

This little light of mine,  
I'm gonna let it shine,  
This little light of mine,  
I'm gonna let it shine,  
This little light of mine,  
I'm gonna let it shine,  
Yes, I'm gonna let it shine,  
Let it shine, let it shine, let it shine
