ἀγέ νῦν (“\_\_\_\_\_”): a phrase used only twice in the New Testament; both occurrences found in these passages. We better pay attention!

**Ultimate criticism** regards people who \_\_\_\_\_ and God’s \_\_\_\_\_ out of their way of life.

### **Arrogance of Control** (James 4:13-17)

The merchants took pride in deciding:

1. \_\_\_\_\_ they would go.
2. \_\_\_\_\_ they would go.
3. \_\_\_\_\_ they would stay.
4. \_\_\_\_\_ of profit.

### **Misuse of Wealth and Power** (James 5:1-6)

Wealthy landowners are accused of economic \_\_\_\_\_ and \_\_\_\_\_.

James warns us: Do not place reliance on \_\_\_\_\_ goods.

### **What we know for sure about God:**

God is \_\_\_\_\_.

God shows concern for the \_\_\_\_\_.

God will right the \_\_\_\_\_.

**Time for Reflection:** Do I place my life in God’s hands? Are God’s values my values?
