

The Child Development Center has been serving the Fern Creek Area since 1960. Our program runs September through May and mostly follows the JCPS calendar. Children must attain enrollment age by August 1.

Our curriculum includes a monthly thematic model, combined with an increased academic focus, ideally building developmentally from one year to the next. Our goal is for children to be well-prepared for kindergarten.

1. Enrollment Form
2. Up-to-date Immunization Certificate
3. Reservation Fee - \$125.00

We are a fully licensed type I facility by the Cabinet of Health and Family Services. However, we are seeking quality standards beyond the state's minimum requirements in areas of staff to child ratios, program curriculum, staff education and training, and child safety. Our dedicated teachers are well-trained and are certified by the State. There is always a staff member on site who is trained in CPR and first aid.

## Summer Fun

This Program is offered to two, three, and four-year-olds. The cost is a \$50 reservation fee and \$300 for the remainder.
